Vorgehensweise bei Reklamationen

Sehr geehrter Motorservice Partner,
für eine schnelle und reibungslose Reklamationsbearbeitung bitten wir um die Beachtung der nachfolgenden Punkte.

Voraussetzungen für Reklamationen
Der Motorservice Handelspartner garantiert gegenüber Motorservice, dass die Voraussetzungen für eine Reklamation erfüllt sind. Der Handelspartner von Motorservice hat im Vorfeld geprüft, ob das reklamierte Teil aus dem Motorservice Lieferprogramm stammt. Ferner ist anhand von Lieferscheinen oder Rechnungen zu prüfen und zu belegen, dass seit der Lieferung des Ersatzteils weniger als 12 Monate vergangen sind.
Der Handelsweg muss eingehalten werden.

Einreichung von Reklamationen
Wenn die Teile über den Motorservice OnlineShop bestellt wurden, erfolgt die Einreichung der Reklamation direkt über den OnlineShop. Bitte wählen Sie hierzu im Menü „Mein Konto“ den Eintrag „Reklamationen“ und geben Sie die Daten in das bereitgestellte Webformular ein. Für alle übrigen Reklamationen benutzen Sie bitte das nachfolgende Formular. Bitte beachten Sie, dass die für die Bearbeitung notwendigen Pflichtdatenfelder vollständig ausgefüllt sind. Der Umfang der Reklamation (Schadenshöhe) muss stets vollständig angegeben werden. Darüber hinaus sind wir auch umgehend über ggf. entstandene Personenschäden zu informieren. Werden Reparatur- oder Folgekosten geltend gemacht, müssen die entsprechenden Rechnungen als Kopie beigefügt werden. Nachträglich eingereichte Kostenansprüche, die nach unserer Diagnose oder Ergebnismitteilung eingehen, können nicht mehr anerkannt werden.

Rücksendung von Reklamationsteilen
Senden Sie Reklamationsteile nur dann zurück, wenn diese explizit von Motorservice zurückgefordert werden. Ob und welche Teile zurückgesendet werden müssen, teilen wir Ihnen nach Eingang der Reklamationsmeldung mit. Produkte, die aus mehreren Teilen bestehen, müssen stets in dem Umfang zurückgesandt werden, wie diese bezogen wurden. Wir behalten uns vor, Teile die ebenfalls beschädigt wurden bzw. zur Schadensentstehung beigetragen haben, anzufordern oder nachzufordern, auch wenn diese nicht zum Lieferprogramm von Motorservice gehören.

Adressen für den Teilerückversand :

PIERBURG Schadensteile:
MS Motorservice International GmbH
Hamburger Straße 15
41540 Dormagen, Germany

Alle Neuteilreklamationen und alle sonstigen Schadensteile
MS Motorservice International GmbH
Wilhelm-Maybach-Straße 14–18
74196 Neuenstadt, Germany

Reklamationsteile sind für Motorservice kostenfrei einzusenden. Wenn in einer Lieferung Teile von unterschiedlichen Reklamationen enthalten sind, müssen diese jeweils separat verpackt und gekennzeichnet werden. Teile aus Reklamationen die über das Online Reklamationsmanagement eingereicht werden, müssen für den Rückversand mit dem von der Webanwendung bereit gestellten Rücksendeetikett versehen werden. Bereits benutzte Teile müssen frei von Öl und sonstigen Verunreinigungen sein. Der Handelspartner muss sicherstellen, dass die Teile ordnungsgemäß verpackt sind und beim Transport nicht beschädigt werden können. Die Teile sind zweckmäßig in einer Originalverpackung unter Einhaltung größtmöglicher Sorgfalt einzusenden. Der Rücktransport erfolgt auf Risiko und Gefahr des Handelspartners. Bei einem Teilerückversand außerhalb der europäischen Union sind die zolltechnischen Bestimmungen (z. B. Mitsendung einer Proformarechnung, Mitteilung der ursprünglichen Handelsrechnungsnummer, Teiledeklaration) in jedem Fall einzuhalten.

Zerstörende Bauteilprüfungen
Im Rahmen der Reklamationsbearbeitung kann es nötig sein, Teile oder Baugruppen für eine Diagnose oder Werkstoffprüfung zu zerlegen oder einer zerstörenden Prüfung zu unterziehen. Sofern Sie sich bei der Einreichung der Reklamation schriftlich einverstanden erklärt haben, übernehmen wir für die bei der Analyse entstandenen Beschädigungen keine Haftung.

Sonstiges
Teile sind nur dann reklamationsfähig, wenn diese bestimmungsgemäß eingesetzt bzw. verwendet wurden. Modifizierte Teile, bereits zerlegte Komponenten und Teile, an denen Reparaturversuche unternommen wurden, sind nicht reklamationsfähig. Teile aus abgelehnten Reklamationen werden verschrottet, sofern diese nicht explizit zurückgefordert werden. Im Rahmen der Gewährleistung erstattete Teile gehen in das Eigentum von Motorservice über. Aus organisatorischen Gründen kann die Reklamationsabwicklung ausschließlich in den Sprachen Deutsch oder Englisch erfolgen.

Procedure in case of claims

Dear Motorservice Partner,
In order to ensure fast and trouble-free processing of claims, please observe the following points.

Prerequisites for claims
The Motorservice trading partner guarantees Motorservice that the prerequisites for a claim are met. The Motorservice trading partner has already verified whether the part subject to the claim is part of the Motorservice product range. Furthermore, it is to be checked and proven based on delivery notes or invoices that less than 12 months have passed since delivery of the spare part. The trade route must be adhered to.

Submitting claims
If the parts were ordered via the Motorservice OnlineShop, claims must be submitted directly via the OnlineShop. To do this, please select the "Claims" entry in the "My account" menu and enter the data in the web form provided. For all other claims, please use the following form. Please ensure that the compulsory fields required to process the claim are filled out completely. The scope of the claim (amount of loss) must always be fully specified. Furthermore, we need to be notified immediately about any resulting personal injury. If repair or follow-up costs are claimed, copies of the respective invoices must be enclosed. Claims for costs that were handed in after our diagnostics or communication of results cannot be accepted.

Returning claim parts
Claim parts should only be returned if explicitly requested by Motorservice. We will inform you whether and which parts have to be returned following receipt of your claim. Products made up of several parts must always be returned as a whole in the same scope as they were purchased. We reserve the right to request parts that were also damaged or that contributed to the damage being caused, even if they are not part of the Motorservice product range.

Claim parts must be sent in without incurring a charge for Motorservice. If a delivery includes parts relating to different claims, they must each be packaged and labelled separately. For parts from claims submitted via the online claims management, the returns label provided by the web application must be used for the return. Already used parts must be free from oil and other impurities. The trading partner must ensure that the parts are packaged properly and cannot be damaged during transport. The parts must be sent in appropriate original packaging with the greatest possible care. The items are returned at the trade partner's own risk and peril. When returning parts from outside the European Union, customs agreements (e.g. sending of a pro-forma invoice, communication of the original commercial invoice no., part declaration) must be adhered to at all times.

Addresses for returning parts:

PIERBURG damaged parts:
MS Motorservice International GmbH
Hamburger Straße 15
41540 Dormagen, Germany

All claims relating to new parts and all other damaged parts
MS Motorservice International GmbH
Wilhelm-Maybach-Straße 14–18
74196 Neuenstadt, Germany

Destructive component testing
When processing claims, it may be necessary to dismantle parts or assembly groups for diagnostics or material inspection, or to subject them to destructive testing. If you gave your consent in writing when submitting the claim, we can accept no liability for any damage that may occur during the analysis.

Other
Parts can only be claimed if they were deployed or used for their intended purpose. Modified parts, components and parts already taken apart in the course of repair attempts cannot be claimed. Parts from rejected claims will be scrapped unless an explicit request has been made for them to be returned. Parts refunded within the scope of the warranty become the property of Motorservice. For organisational reasons, only German or English can be used when dealing with claims.

Claims form

Address details:

Your claim number (not item number):

Verkaufs- und Lieferbedingungen der MS Motorservice International GmbH Stand: 2014

MS MOTORSERVICE

1. Geltungsbereich
1.1 Die Allgemeinen Verkaufs- und Lieferbedingungen der MS Motorservice International GmbH (im Folgenden „Verkäufer" genannt) gelten ausschließlich. Entgegenstehende oder von diesen Verkaufs- und Lieferbedingungen abweichende Bedingungen des Käufers werden nicht anerkannt, es sei denn, der Verkäufer hat ausdrücklich und schriftlich der Geltung abweichender Bedingungen zugestimmt. Diese Verkaufs- und Lieferbedingungen gelten auch dann, wenn der Verkäufer in Kenntnis entgegenstehender oder von den eigenen Geschäfts- und Lieferbedingungen abweichender Bedingungen des Käufers die Lieferung an den Käufer vorbehaltlos durchführt.
1.2 Die Verkaufs- und Lieferbedingungen gelten auch für alle zukünftigen Geschäfte mit dem Käufer. Durch Bestellung des Käufers, spätestens aber durch Annahme der Ware, werden diese Verkaufs- und Lieferungsbedingungen vom Käufer anerkannt.
1.3 Diese Verkaufs- und Lieferbedingungen gelten nur gegenüber Unternehmern.

2. Angebot und Auftragsbestätigung
2.1 Angebote des Verkäufers sind stets unverbindlich. Eine Bestellung des Käufers, die rechtlich als **Angebot** zu qualifizieren ist, gilt erst dann als angenommen, wenn sie von dem Verkäufer innerhalb von 4 Wochen schriftlich bestätigt wird. Spätestens kommt der Vertrag mit Absendung der bestellten Ware, bei Teillieferung mit Absendung der ersten Lieferung zustande.
2.2 Änderungen und sonstige Vereinbarungen sind nur dann verbindlich, wenn sie von dem Verkäufer schriftlich bestätigt werden.
2.3 Soweit der Käufer individuelle Kostenvoranschläge verlangt, sind diese vergütungspflichtig. Wird die Wirksamkeit des geschlossenen Vertrages aus irgendeinem Rechtsgrund beseitigt, bleibt die Vergütungspflicht für den Kostenvoranschlag bestehen.
2.4 Die in den Angeboten enthaltenen Unterlagen, Zeichnungen, Gewichts- und Maßangaben, Muster etc. sind nur ungefähre Angaben und stellen keine Beschaffenheitsmerkmale dar. Der Verkäufer ist berechtigt, von den Beschreibungen im Angebot abzuweichen, sofern diese Abweichungen nicht grundlegender oder wesentlicher Art sind und der vertragsgemäße Zweck nicht wesentlich eingeschränkt wird.
2.5 Soweit Waren nach Käuferzeichnungen gefertigt werden, sind die vom Käufer erstellten und vom Verkäufer genehmigten Zeichnungen maßgeblich. Abweichungen von genehmigten Zeichnungen sind besonders zu vereinbaren und etwaige Mehrkosten hierfür sind dem Verkäufer zu vergüten.

3. Schutzrechte
3.1 Der Verkäufer behält sich an allen Abbildungen, Zeichnungen, Kalkulationen und sonstigen Unterlagen das Eigentums- und Urheberrecht vor; sie dürfen ohne vorherige schriftliche Zustimmung des Verkäufers weder für andere als die vom Verkäufer angegebenen Zwecke verwendet noch Dritten zugänglich gemacht werden. Dies gilt insbesondere für solche schriftlichen Unterlagen, die als „vertraulich", „geheim" oder ähnlich bezeichnet sind.
3.2 Erfolgen Lieferungen nach Zeichnungen oder sonstigen Angaben des Käufers und werden hierdurch Schutzrechte Dritter verletzt, stellt der Käufer den Verkäufer im Innenverhältnis von sämtlichen Ansprüchen frei.
3.3 Der Verkäufer haftet für Ansprüche, die sich bei vertragsgemäßer Verwendung der Waren aus der Verletzung von Schutzrechten und Schutzrechtsanmeldungen (Schutzrechte) ergeben, von denen mindestens eines aus der Schutzrechtsfamilie entweder vom Europäischen Patentamt oder in einem der Staaten Bundesrepublik Deutschland, Frankreich, Großbritannien, Österreich, China, Japan oder USA veröffentlicht ist.

4. Empfehlungen, Informationen und Auskünfte
Empfehlungen, Informationen und Auskünfte sind unverbindlich, soweit sie sich nicht auf die Ware selbst beziehen. Ersatzansprüche, gleich aus welchem Rechtsgrund, sind ausgeschlossen, es sei denn, sie beruhen auf vorsätzlichem oder grob fahrlässigem Handeln des Verkäufers.

5. Preise
5.1 Alle Preise sind Nettopreise und gelten „ab Werk" (Incoterms 2010, „EXW") ausschließlich Verpackung. Die gesetzliche Umsatzsteuer in der jeweils gültigen Höhe wird hinzugerechnet.
5.2 Etwaiger Mehraufwand, der durch Änderungswünsche entsteht, kann dem Käufer vom Verkäufer in Rechnung gestellt werden.
5.3 Treten nach Abschluss des Vertrages Ereignisse ein, die die Selbstkosten des Verkäufers bei dem Einkauf, der Herstellung und/oder dem Versand der Ware verteuern, so ist der Verkäufer zu entsprechender Preiserhöhung berechtigt.

6. Zahlungsbedingungen
6.1 Rechnungen sind innerhalb von 14 Tagen ab Rechnungsdatum ohne Abzug zur Zahlung fällig. Skonto gilt nur bei ausdrücklicher schriftlicher Vereinbarung.
6.2 Der Verkäufer ist berechtigt, selbst bei entgegenstehender Zweckbindung des Käufers eine Zahlung zunächst auf die jeweils älteste, nicht titulierte Schuld anzurechnen. Sind bereits Kosten oder Zinsen entstanden, ist der Verkäufer berechtigt, Zahlungen zunächst auf die Kosten, dann auf die Zinsen und zuletzt auf die Hauptleistung anzurechnen.
6.3 Das Recht zur Aufrechnung steht dem Käufer nur zu, wenn und soweit seine Gegenansprüche rechtskräftig festgestellt, unbestritten oder vom Verkäufer schriftlich anerkannt sind. Das Zurückbehaltungsrecht des Käufers ist auf Ansprüche aus dem Vertragsverhältnis beschränkt.
6.4 Der Verkäufer ist berechtigt, Verzugszinsen in Höhe des jeweils gültigen gesetzlichen Verzugszinssatzes zu verlangen. Das Recht, einen höheren Verzugsschaden nachzuweisen, bleibt ausdrücklich vorbehalten.

7. Lieferung/Lieferzeit/Verzug
7.1 Lieferfristen und Liefertermine gelten nur dann als verbindlich vereinbart, wenn diese vom Verkäufer ausdrücklich schriftlich zugesagt werden. Der Verkäufer ist an den Liefertermin bzw. die Lieferfrist nicht gebunden, wenn der Käufer seinen Obliegenheiten (Zahlung von Abschlägen, Beibringung erforderlicher Unterlagen etc.) nicht rechtzeitig nachkommt. Die Einrede des nichterfüllten Vertrages bleibt vorbehalten.
7.2 Lieferfristen beginnen frühestens an dem Tag, an dem der Vertrag schriftlich geschlossen wurde und alle technischen Fragen geklärt sind.
7.3 Bei Änderungswünschen des Käufers ist der Verkäufer von der Einhaltung des Liefertermins bzw. der Lieferfrist befreit. Die Parteien werden in diesem Fall einen neuen Liefertermin oder eine neue Lieferfrist vereinbaren.
7.4 Sofern nichts Abweichendes vereinbart wird, ist der Liefertermin bzw. die Lieferfrist eingehalten, wenn der Verkäufer die Ware an dem vereinbarten Ort bereitgestellt hat.
7.5 Wegen Lieferverzögerungen, die nicht auf Vorsatz oder grober Fahrlässigkeit des Verkäufers beruhen, kann der Käufer keine Ansprüche geltend machen. Dies gilt insbesondere für Lieferverzögerungen aufgrund von höherer Gewalt, Arbeitskämpfen, Unruhen, behördliche Maßnahmen, Ausbleiben von Zulieferungen der Zulieferanten und sonstige unvorhersehbare, unabwendbare und schwerwiegende Ereignisse. Der vereinbarte Liefertermin bzw. die Lieferfrist verschiebt sich in diesen Fällen entsprechend der Dauer des Lieferhindernisses. Der Ersatz von entgangenem Gewinn und Schäden aus Betriebsunterbrechung ist auf Vorsatz beschränkt.
7.6 Kommt der Käufer in Annahmeverzug oder verletzt er sonstige Mitwirkungspflichten, so ist der Verkäufer berechtigt, den insoweit entstandenen Schaden einschließlich etwaiger Mehraufwendungen ersetzt zu verlangen. Der Verkäufer ist darüber hinaus berechtigt, dem Käufer eine angemessene Annahmefrist zu setzen und nach deren fruchtlosem Verstreichen vom Vertrag zurückzutreten und Schadensersatz statt der Leistung zu verlangen.
7.7 Teillieferungen sind in zumutbarem Umfang zulässig. Insofern sind Ansprüche des Käufers wegen der Teillieferung oder einer verspäteten Lieferung der Restmenge ausgeschlossen.

8. Eigentumsvorbehalt
8.1 Der Verkäufer behält sich das Eigentum an sämtlichen gelieferten Waren bis zum Eingang aller Zahlungen aus der Lieferbeziehung, auch der zukünftig entstehenden Verbindlichkeiten, vor. Bei vertragswidrigem Verhalten, insbesondere bei Zahlungsverzug, ist der Verkäufer berechtigt, die Kaufsache zurückzunehmen.
8.2 Der Käufer ist verpflichtet, die gelieferten Waren pfleglich zu behandeln und während der Dauer des Eigentumsvorbehaltes auf eigene Kosten gegen jede Form des Untergangs zum Neuwert zu versichern. Der Verkäufer bleibt berechtigt, die Ware auf Kosten des Käufers selbst zu versichern.
8.3 Bei Pfändungen oder sonstigen Eingriffen Dritter hat der Käufer den Verkäufer unverzüglich schriftlich zu benachrichtigen, damit dieser Drittwiderspruchsklage oder andere Rechtsmittel erheben kann. Soweit der Dritte die hierdurch entstehenden gerichtlichen und außergerichtlichen Kosten nicht erstattet, haftet hierfür der Käufer.
8.4 Der Käufer ist berechtigt, die Ware im ordentlichen Geschäftsgang weiter zu verkaufen; er tritt dem Verkäufer jedoch bereits jetzt alle Forderungen in Höhe des Faktura-Endbetrages (einschließlich Mehrwertsteuer) der Forderung ab, die ihm aus der Weiterveräußerung gegen seine Abnehmer oder Dritte erwachsen, und zwar unabhängig davon, ob die Ware ohne oder nach Verarbeitung weiter verkauft wurde. Zur Einziehung dieser Forderung bleibt der Käufer auch nach Auslieferung berechtigt. Die Befugnis des Verkäufers, die Forderung selbst einzuziehen, bleibt davon unberührt. Der Verkäufer verpflichtet sich jedoch, die Forderung nicht einzuziehen, solange der Käufer seinen Zahlungsverpflichtungen aus den vereinnahmten Erlösen nachkommt, nicht in Zahlungsverzug gerät und insbesondere ein Antrag auf Eröffnung eines Insolvenzverfahrens nicht gestellt ist oder Zahlungseinstellung nicht vorliegt.
8.5 Wird die gelieferte Ware mit anderen, nicht dem Verkäufer gehörenden Gegenständen untrennbar vermischt oder verbunden, so erwirbt der Verkäufer das Miteigentum an der neuen oder verbundenen Sache im Verhältnis des Wertes der gelieferten Ware (Faktura-Endbetrag, einschließlich Mehrwertsteuer) zu der oder den anderen Gegenständen zum Zeitpunkt der Vermischung oder Verbindung. Der Käufer verwahrt das so entstandene Allein- oder Miteigentum für den Verkäufer.
8.6 Übersteigt der Wert der gegebenen Sicherheiten die Forderungen des Verkäufers insgesamt um mehr als 20%, so ist der Verkäufer auf Verlangen des Käufers verpflichtet, die überschießenden Sicherheiten nach Wahl des Verkäufers freizugeben.
8.7 Sofern und soweit die Registrierung und/oder die Erfüllung anderer Erfordernisse Voraussetzung für die Wirksamkeit des Eigentumsvorbehalts ist, ist der Käufer verpflichtet, auf seine Kosten alle hierzu notwendigen Handlungen unverzüglich vorzunehmen und alle erforderlichen Mitteilungen zu machen. Falls und soweit die maßgebliche Rechtsordnung keine Vereinbarung eines Eigentumsvorbehalts zulässt, wird der Käufer den Verkäufer bei Inanspruchnahme von Warenkredit angemessene andere Sicherheiten stellen.

9. Versand, Gefahrenübergang
9.1 Der Versand erfolgt auf Gefahr des Käufers. Die Gefahr geht stets, auch wenn weitere Leistungen von dem Verkäufer übernommen werden, spätestens mit Absendung der Ware auf den Käufer über.
9.2 Verzögert sich der Versand infolge von Umständen, die der Verkäufer nicht zu vertreten hat, so geht die Gefahr vom Tage der Anzeige der Versandbereitschaft auf den Käufer über. Auf schriftlichen Wunsch des Käufers wird die Sendung von dem Verkäufer gegen Bruch-, Transport-, Feuer- und Wasserschäden auf Kosten des Käufers versichert.
9.3 Transport- und alle sonstigen Verpackungen nach Maßgabe der Verpackungsverordnung werden nicht zurückgenommen; ausgenommen sind Paletten. Der Käufer ist verpflichtet, die Entsorgung der Verpackung auf eigene Kosten zu besorgen.

10. Fertigungsmittel
10.1 Soweit der Käufer dem Verkäufer Fertigungsmittel (z.B. Werkzeuge, Formen) zur Verfügung stellt, sind diese dem Verkäufer kostenfrei zuzusenden. Für deren Untergang, Verschlechterung oder unvollständige Rücklieferung und daraus resultierende Schäden übernimmt der Verkäufer eine Haftung nur für grobe Fahrlässigkeit oder Vorsatz. Dies gilt nicht, soweit gesetzlich zwingend gehaftet wird.
10.2 Wenn Fertigungsmittel von dem Verkäufer im Auftrag des Käufers angefertigt oder beschafft werden, stellt der Verkäufer hierfür anteilige Kosten gesondert in Rechnung. Die Fertigungsmittel bleiben Eigentum des Verkäufers. Zur Herausgabe an den Käufer ist der Verkäufer nicht verpflichtet. Vorstehendes gilt auch für Folgewerkzeuge. Die nachfolgende Regelung in Ziffer 10.3 bleibt hiervon unberührt.
10.3 Im Falle der Amortisation der Kosten der Fertigungsmittel über den Teilepreis übernimmt der Käufer bei Nichtamortisation eines Werkzeuges die nicht gedeckten Kosten einschließlich der Kosten der sonstigen typengebundenen Einrichtungen. Kosten für Modelle gehen stets in vollem Umfang zu Lasten des Käufers.
10.4 Vom Verkäufer dem Käufer ausgehändigten Zeichnungen und Unterlagen sowie Vorschläge des Verkäufers für die Gestaltung und zur Herstellung der Ware dürfen an Dritte nicht weitergegeben und können von dem Verkäufer jederzeit zurückverlangt werden.

11. Sachmängelhaftung/Haftung
11.1 Der Verkäufer haftet nicht für Schäden, die durch Verletzung von Bedienungs-, Wartungs- und Einbauvorschriften, ungeeignete, nicht bestimmungsgemäße oder unsachgemäße Verwendung, fehlerhafte oder nachlässige Behandlung, natürlicher Verschleiß, falsche Lagerung oder vom Käufer oder Dritten vorgenommene Veränderungen der Ware auftreten. Die Waren dürfen vom Käufer oder Dritten nur durch unterwiesenes Fachpersonal eingebaut werden.
11.2 Dem Verkäufer steht das Wahlrecht zwischen Nachbesserung und Neulieferung zu.
11.3 Die zum Zwecke der Nacherfüllung erforderlichen Aufwendungen werden nicht von dem Verkäufer getragen, soweit die Aufwendungen sich dadurch erhöhen, dass die Ware nach der Lieferung an einen anderen Ort als den ursprünglichen Lieferort verbracht worden ist.
11.4 Aufwendungen, die der Käufer oder Dritte im Zusammenhang mit dem Ausbau mangelhafter Waren und dem Einbau neu gelieferter bzw. nachgebesserter Waren entstehen, sind keine Nacherfüllungskosten im Sinne des § 439 Abs. 2 BGB.
11.5 Ansprüche aus Sachmängelhaftung verjähren in einem Jahr ab Übergabe der Ware, es sei denn, die Sachmängelhaftungsansprüche beruhen auf einer grob fahrlässigen oder vorsätzlichen Pflichtverletzung des Verkäufers oder seines Erfüllungsgehilfen oder auf einer Verletzung von Leben, Körper oder Gesundheit.
11.6 Der Käufer ist verpflichtet, seiner Untersuchungspflicht nach § 377 HGB auch bei Weiterveräußerung der Ware nachzukommen.
11.7 Das Rückgriffsrecht des Käufers gegen den Verkäufer wegen solcher Ansprüche aus Sachmängelhaftung, die dem Käufer von dessen Abnehmern entgegengesetzt werden, ist ausgeschlossen, wenn der Käufer seiner Untersuchungs- und Rügepflicht nicht nachgekommen ist oder die Ware durch Verarbeitung abgeändert wurde.
11.8 Die Haftung des Verkäufers nach den gesetzlichen Bestimmungen auf Schadensersatz ist uneingeschränkt gegeben, wenn eine dem Verkäufer zurechenbare Pflichtverletzung auf Vorsatz oder grober Fahrlässigkeit beruht. Soweit die dem Verkäufer zurechenbare Pflichtverletzung auf einfacher Fahrlässigkeit beruht und eine wesentliche Vertragspflicht schuldhaft verletzt ist, ist die Schadensersatzhaftung auf den vorhersehbaren Schaden beschränkt, der typischerweise in vergleichbaren Fällen eintritt. Im Übrigen ist die Haftung ausgeschlossen.
11.9 Die Haftung nach den Bestimmungen des Produkthaftungsgesetzes oder vergleichbarer, unabdingbarer Rechte ausländischer Rechtsordnungen bleibt unberührt. Unberührt bleibt auch die Haftung wegen Verletzung von Leben, Körper und Gesundheit.
11.10 Soweit eine Haftung nach Tatbeständen der Ziffer 11.9 begründet wird, ist die Haftung des Verkäufers bei ausländischen Rechtsordnungen im Verhältnis zum Käufer insoweit beschränkt, als es nach dem jeweiligen ausländischen Recht zulässig wäre.
11.11 Soweit die Schadensersatzhaftung des Verkäufers ausgeschlossen oder eingeschränkt ist, gilt dies auch im Hinblick auf die persönliche Schadensersatzhaftung der Mitarbeiter, Vertreter und Erfüllungsgehilfen des Verkäufers.

12. Abtretungsverbot
Sämtliche Ansprüche des Käufers gegen den Verkäufer sind nicht abtretbar.

13. Produkthaftung/Hinweispflichten
13.1 Der Käufer darf die Ware nur bestimmungsgemäß verwenden und muss dafür sorgen, dass diese Ware nur an mit den Produktgefahren und -risiken vertraute Personen weiterveräußert wird.
13.2 Der Käufer ist verpflichtet, bei Verwendung der Ware als Grundstoff und Teilprodukt von eigenen Produkten beim Inverkehrbringen des Endprodukts seiner Warnpflicht auch im Hinblick auf die von dem Verkäufer gelieferte Ware nachzukommen. Im Innenverhältnis stellt der Käufer den Verkäufer von der Geltendmachung von Ansprüchen bei Verletzung dieser Obliegenheit auf erstes Anfordern frei.

14. Geheimhaltung
Der Käufer muss alle geschäftlichen und technischen Informationen, die er vom Verkäufer erhalten hat, Dritten gegenüber wie Geschäfts- und Betriebsgeheimnisse behandeln, soweit diese nicht allgemein bekannt sind. Derartige Informationen dürfen ausschließlich zum vertragsgemäßen Zweck an Dritte, die über eine entsprechende Geheimhaltungsvereinbarung eingebunden sind, weitergegeben werden.

15. Sonstiges
15.1 Erfüllungsort ist der Ort des jeweiligen Verkäuferwerkes.
15.2 Gerichtsstand für sämtliche Streitigkeiten aus dem Vertrag ist Heilbronn. Der Verkäufer ist jedoch berechtigt, den Käufer auch an dessen allgemeinen Gerichtsstand zu verklagen.
15.3 Für die Abwicklung von Verträgen auf Grundlage dieser Verkaufs- und Lieferbedingungen gilt ausschließlich deutsches Recht unter Ausschluss des Kollisionsrechts und des UN-Kaufrechts.
15.4 Die Parteien sind verpflichtet, im Rahmen der Durchführung der Vertragsbeziehung sämtliche geltenden gesetzlichen Bestimmungen einzuhalten (Compliance with laws).
15.5 Von diesen Verkaufs- und Lieferbedingungen abweichende oder sie ergänzende separate Vereinbarungen zwischen den Parteien gelten vorrangig.
15.6 Soweit eine oder mehrere der vorstehenden Bestimmungen ganz oder teilweise unwirksam sein, so bleibt die Gültigkeit der übrigen Bestimmungen hiervon unberührt. Die ungültige Bestimmung ist dann durch eine gesetzlich zulässige Bestimmung zu ersetzen, mit der Sinn und Zweck dieser Verkaufs- und Lieferbedingungen in möglichst gleicher Weise erreicht werden.

Terms and Conditions of Sale and Delivery of MS Motorservice International GmbH Version: 2014

MS MOTORSERVICE

1. Scope of Application
1.1 The Terms and Conditions of Sale and Delivery of MS Motorservice International GmbH (hereinafter referred to as the „Seller“) shall apply exclusively. Opposing terms of the Buyer or terms that deviate from these Terms and Conditions of Sale and Delivery shall not apply unless the Seller has expressly agreed to the validity of deviating terms in writing. These Terms and Conditions of Sale and Delivery shall also apply if the Seller effects delivery to the Buyer without reservation in full knowledge of opposing terms of the Buyer or terms that deviate from its own Terms and Conditions of Sale and Delivery.
1.2 The Terms and Conditions of Sale and Delivery shall also apply to future business transactions with the Buyer. By placing an order and at the latest upon acceptance of the goods, the Buyer accepts these Terms and Conditions of Sale and Delivery.
1.3 These Terms and Conditions of Sale and Delivery shall only apply in B2B-relations.

2. Offer and Order Confirmation
2.1 Offers by the Seller shall in all cases be non-binding. An order from the Buyer that legally qualifies as an **offer** shall only be accepted once this has been confirmed in writing by the Seller within four weeks. The contract shall come into effect at the latest once the ordered goods have been dispatched, and in case of partial delivery, once the first delivery has been dispatched.
2.2 Modifications and other agreements shall only be binding once they have been confirmed by the Seller in writing.
2.3 Insofar as the Buyer requests cost estimations, these shall be subject to a charge. If the contract concluded is invalidated on the basis of any legal grounds, the obligation to pay for the quotation shall remain.
2.4 The documents, drawings, details relating to weight and dimensions, samples etc. contained in the offers are only approximate specifications and shall not constitute guaranteed qualities. The Seller shall be entitled to deviate from the descriptions in the offer to the extent that these deviations are not of a fundamental or significant nature and the purpose according to the contract is not substantially restricted.
2.5 Insofar as goods are manufactured according to Buyer‘s drawings, the drawings created by the Buyer and approved by the Seller shall be decisive. Deviations from approved drawings must be separately agreed and any additional costs in this regard shall be reimbursed to the Seller.

3. Industrial Property Rights
3.1 The Seller shall reserve industrial property rights and copyright to all illustrations, drawings, calculations, and other documents; these items may neither be used for purposes other than those stipulated by the Seller, nor made accessible to third parties without the prior written consent of the Seller. This shall apply in particular to written documents that are designated as „confidential“, „secret“, or similar.
3.2 Where deliveries are effected according to drawings or other specifications from the Buyer and where third-party property rights are breached as a result of this, the Buyer shall indemnify the Seller against any claims internally.
3.3 The Seller shall be liable for claims relating to violation of industrial property rights and applications for industrial property rights resulting from contractual use of the goods, if at least one property right from the family of industrial property rights has been published by the European Patents Office or in one of the following states: Federal Republic of Germany, France, United Kingdom, Austria, China, Japan, or the USA.

4. Recommendations and Information
Recommendations and information shall be non-binding insofar as they do not refer to the goods themselves. Claims for compensation, irrespective of the legal grounds, shall be excluded unless they are based on willful or grossly negligent action on the part of the Seller.

5. Prices
5.1 All prices are net prices and shall be quoted „ex works“ (Incoterms 2010, „EXW“) excluding packaging. Statutory VAT shall be added at the current applicable rate.
5.2 Any additional costs incurred as a result of modification requests may be charged to the Buyer by the Seller.
5.3 Where events occur after conclusion of the contract that result in increased costs for the Seller in terms of primary purchasing costs, manufacture, and/or shipment of the goods, the Seller shall be entitled to increase its prices accordingly.

6. Conditions of Payment
6.1 Invoices shall be due for payment within 14 days of the invoice date without any deductions. Discounts shall only apply where expressly agreed in writing.
6.2 The Seller shall be entitled to offset a payment against the oldest, not specifically titled debt, even where the Buyer has earmarked the payment for a different purpose. Where costs or interest have already been incurred, the Seller shall be entitled to offset payments, in the first instance, against the costs, then against the interest, and finally against the principal debt.
6.3 The Buyer shall only have the right to offset insofar as its counterclaims are legally binding, are uncontested, or have been acknowledged in writing by the Seller. The right of retention on the part of the Buyer shall be limited to claims arising from the contractual relationship.
6.4 The Seller shall be entitled to charge default interest in the amount of the statutory default interest rate as amended from time to time. The right to prove a higher default damage shall be expressly reserved.

7. Delivery/Lead Time/Delay
7.1 Delivery periods and delivery dates shall only be deemed to have been agreed with binding effect where these are expressly confirmed in writing by the Seller. The Seller shall not be bound to the delivery date or delivery period where the Buyer does not meet its obligations in due time (to make anticipated payments, to provide required documents etc.). The plea for non-fulfillment of the contract shall remain reserved.
7.2 Delivery periods begin at the earliest on the day of written conclusion of the contract and once all technical issues have been clarified.
7.3 In the event of change requests from the Buyer, the Seller shall be exempt from compliance with the delivery date or delivery period. In such cases, the parties shall agree a new delivery date or a new delivery period.
7.4 Unless otherwise agreed, the delivery date or delivery period shall be deemed to have been adhered to when the Seller has made the goods available at the location agreed.
7.5 The Buyer may not assert claims due to delivery delays that do not result from intent or gross negligence on the part of the Seller. In particular, this shall apply to delivery delays caused by force majeure, labor disputes, unrest, official measures, failure to deliver by suppliers, and any other unforeseen, unavoidable, and serious events. In such cases, the delivery date or delivery period agreed shall be extended according to the duration of the delivery impediment. Compensation for loss of profit and stop of production shall be limited to intent.
7.6 Where the Buyer delays acceptance or violates any other obligation to cooperate, the Seller shall be entitled to demand compensation for damages suffered in this respect, including any additional costs. Furthermore, the Seller shall have the right to set an appropriate acceptance period for the Buyer and to withdraw from the contract where this period has expired to no avail, and to demand compensation for damages instead of the performance.
7.7 Partial deliveries shall be permitted to a reasonable extent. In this regard, claims made by the Buyer due to partial delivery or delayed delivery of the remaining goods shall be excluded.

8. Retention of Title
8.1 The Seller shall reserve title of all goods delivered until all payments pertaining to the delivery, including any dues as shall arise in the future, have been effected in full. In the event of conduct contrary to contract, in particular as regards payment default, the Seller shall be entitled to claim back the goods.
8.2 The Buyer shall be obliged to handle the delivered goods with care and to insure them at original value against any kind of loss at its own expense during the period of retention of title. The Seller shall remain entitled to insure the goods itself at the expense of the Buyer.
8.3 In case of pledge or other third-party intervention, the Buyer shall immediately notify the Seller in writing so that the latter can initiate a third-party action or other legal remedies. Where the third party fails to reimburse the legal and extrajudicial costs arising from this, the Buyer shall be liable for such costs.
8.4 The Buyer shall be entitled to sell on the goods in the ordinary course of business; it hereby, however, assigns to the Seller all receivables arising from the resale to its customers or third parties to the value of the final invoice amount (including statutory VAT) of the receivables, irrespective of whether the goods were sold without or following further processing. The Buyer shall remain entitled to collect these receivables even after delivery. The Buyer‘s right to collect the receivables itself shall remain unaffected by this. The Seller shall, however, undertake not to collect the amount receivable as long as the Buyer fulfills its payment obligations arising from proceeds collected, does not default on payments and, in particular, no application for the initiation of insolvency proceedings has been filed or payments suspended.
8.5 Where the goods delivered are inseparably mixed or combined with other items not belonging to the Seller, the Seller shall acquire joint ownership of the new or combined product in proportion to the value of the goods delivered (final invoice amount, including statutory VAT) in relation to the value of the other items at the time of combination or mixing. The Buyer shall safeguard the resulting sole ownership or joint ownership on behalf of the Seller.
8.6 Where the value of the securities granted exceeds the claims of the Seller by more than a total of 20%, the Seller shall be obliged to release the excess securities upon request of the Buyer, at the Seller‘s option.
8.7 Insofar as and to the extent that registration and/or fulfillment of other requirements are prerequisite for the effectiveness of retention of title, the Buyer shall be obliged to perform at its own cost all actions required in this regard without delay and to provide all necessary notifications. If and to the extent as an agreement on the retention of title is not permitted under the relevant legal system, the Buyer shall provide the Seller with alternative appropriate securities on taking advantage of credit on goods.

9. Shipment, Transfer of Risk
9.1 Shipment shall be carried out at the risk of the Buyer. The risk shall pass to the Buyer at the latest on dispatch of the goods, even if additional services are performed by the Seller.
9.2 Where shipment is delayed due to circumstances beyond the Seller‘s control, the risk shall pass to the Buyer from the day of notification of readiness for shipment. Upon written request of the Buyer and at the Buyer‘s expense, the Seller shall insure the shipment against breakage, damage in transit, as well as fire and water damage.
9.3 In accordance with the Packaging Regulations (Verpackungsverordnung), transport packaging and any other packaging shall not be taken back, with the exception of pallets. The Buyer shall be obliged to dispose of the packaging at its own expense.

10. Manufacturing Equipment
10.1 Insofar as the Buyer provides manufacturing equipment (e.g. tools, templates) to the Seller, these shall be sent to the Seller at no charge. The Seller shall only assume liability for loss, deterioration or incomplete return and damages resulting therefrom in case of gross negligence or intent. This shall not apply in cases of legally mandatory liability.
10.2 Where manufacturing equipment is produced or procured by the Seller at the Buyer‘s request, the Seller shall invoice pro rata costs for such equipment separately. The manufacturing equipment shall remain the property of the Seller. The Seller shall not be obliged to hand over said equipment to the Buyer. The above shall also apply in respect of follow-on tools. The following provision in Item 10.3 shall remain unaffected by this.
10.3 In the event of amortization of costs for the manufacturing equipment in excess of the part cost, the Buyer shall assume the costs not covered in case of non-amortization of a tool, including the costs for other type-specific equipment. Costs for models shall in all cases be for the account of the Buyer.
10.4 Drawings and documents provided to the Buyer by the Seller as well as recommendations by the Seller in respect of design and production of the goods may not be forwarded to third parties and can be claimed back by the Seller at any time.

11. Warranty / Liability
11.1 The Seller shall not be liable for any damages caused by non-compliance with specifications regarding operating, maintenance, and installation, inappropriate or improper use, faulty or negligent handling, natural wear and tear, incorrect storage, or modification of the goods by the Buyer or third parties. Installation of the goods by the Buyer or a third party may only be carried out by trained and qualified personnel.
11.2 The Seller shall have the right to decide whether to remedy a defect or provide new goods.
11.3 Expenses required for purposes of cure shall not be borne by the Seller in the event of increased expenses as a result of subsequent relocation of the goods to a location other than that of the original place of delivery.
11.4 Expenses incurred by the Buyer or third parties in connection with disassembly of defective goods or installation of newly supplied or reworked goods shall not constitute cure costs within the meaning of § 439 Para. 2 BGB.
11.5 Warranty claims shall expire one year after handover of the goods unless the warranty claims are based on grossly negligent or willful breach of obligation on the part of the Seller or one of its vicarious agents or on injury to life, limb, or health.
11.6 The Buyer shall also undertake to fulfill its obligation of examination pursuant to § 377 HGB (Handelsgesetzbuch – German Commercial Code) in the case of resale of the goods.
11.7 The Buyer‘s right of recourse against the Seller as a result of such claims based on liability for material defects made against the Buyer by its customers shall be excluded if the same has not fulfilled its obligation of examination and notification or if the goods have been modified by means of processing.
11.8 The Seller‘s liability for compensation according to statutory provisions shall apply without limitation if the same is responsible for breach of obligation based on intent or gross negligence. Insofar as a breach of obligation based on ordinary negligence is attributable to the Seller and an essential contractual obligation has been culpably violated, compensation for damages shall be limited to the amount of foreseeable damage that typically occurs in comparable cases. In all other cases, liability shall be excluded.
11.9 Liability according to the provisions of the Product Liability Law or similar, non-derogable rights of foreign jurisdiction shall remain unaffected. Liability resulting from injury to life, limb, and health shall also remain unaffected.
11.10 Insofar as liability arises according to the facts in Item 11.9., the liability of the Seller in case of foreign jurisdiction shall be limited in relation to the Buyer to the extent permissible according to the relevant foreign law.
11.11 Where the Seller‘s liability for compensation is excluded or limited, this shall also apply with regard to personal liability for compensation on the part of the Seller‘s employees, representatives, or vicarious agents.

12. Non-assignment Clause
All claims by the Buyer against the Seller shall be non-assignable.

13. Product Liability/Notification Obligation
13.1 The Buyer shall only use the goods according to their purpose and shall ensure that these goods are only resold to persons familiar with the hazards and risks associated with the goods.
13.2 The Buyer shall also undertake to fulfill its obligation to issue warnings in respect to the goods delivered by the Seller where the former uses these goods as base material or components for its own products when placing the final product on the market. The Buyer shall indemnify the Seller internally against assertion of claims arising from breach of this obligation upon first request.

14. Confidentiality
The Buyer shall treat as trade and company secret all business and technical information received from the Seller to the extent that this information is not public knowledge. Information of this nature may only be forwarded for the purposes of the contract to third parties who are bound by an appropriate non-disclosure agreement.

15. Miscellaneous
15.1 The place of performance shall be the location of the relevant plant of the Seller.
15.2 The place of jurisdiction for all disputes arising from the contract shall be Heilbronn. The Seller shall, however, be entitled to file suit against the Buyer at its general place of jurisdiction as well.
15.3 Contracts based on these Terms and Conditions of Sale and Delivery shall be solely subject to German law excluding its conflict-of-laws provisions and the UN Convention for the International Sales of Goods (CISG).
15.4 The parties shall be obliged to comply with all statutory provisions within the framework of the contractual relationship (compliance with laws).
15.5 Separate agreements between the parties deviating from or supplementing these Terms and Conditions of Sale and Delivery shall take precedence.
15.6 Should one or several of the above provisions be ineffective in whole or in part, the validity of the remaining provisions shall remain unaffected by this. The invalid provision shall in that case be replaced by a legally valid provision that most closely approximates the meaning and purpose of these Terms and Conditions of Sale and Delivery.

Conditions générales de vente et de livraison de MS Motorservice International GmbH Version : 2014

1. Champ d'application
1.1 Les conditions générales de vente et de livraison de la société MS Motorservice International GmbH (ci-après dénommée le « Vendeur ») s'appliquent à l'exclusion de toutes autres. Aucune condition de l'Acheteur, contraire aux présentes conditions de vente et de livraison ou différentes, n'est admise, excepté si le Vendeur a donné son accord exprès et écrit à l'application de conditions différentes. Les présentes conditions de vente et de livraison s'appliquent également si le Vendeur, en connaissance de conditions de l'Acheteur contraires ou différentes des siennes propres, effectue sans réserve la livraison à l'Acheteur.
1.2 Les présentes conditions de vente et de livraison sont de même applicables à toutes les opérations commerciales futures avec l'Acheteur. L'Acheteur accepte ces conditions de vente et de livraison en passant commande, et au plus tard en réceptionnant la marchandise.
1.3 Les présentes conditions de vente et de livraison ne s'appliquent qu'aux entreprises.

2. Offre et confirmation de commande
2.1 Les offres du Vendeur s'entendent toujours sans engagement. Une commande de l'Acheteur qui pourra être juridiquement qualifiée d'**offre**, n'est réputée acceptée que dès lors que le Vendeur l'a confirmée par écrit dans un délai de 4 semaines. Le contrat est conclu au plus tard par l'envoi de la marchandise commandée, et pour les livraisons partielles, par l'envoi de la première livraison.
2.2 Les modifications et autres conventions ne présentent un caractère contraignant qu'une fois confirmées par écrit par le Vendeur.
2.3 Les devis individuels demandés par l'Acheteur sont payants. En cas d'invalidité du contrat pour quelque motif juridique que ce soit, le paiement du devis reste dû.
2.4 Les documents, dessins, indications de poids et de mesure, modèles, etc. figurant dans les offres ne sont que des indications approximatives ne constituant pas des caractéristiques. Le Vendeur est autorisé à apporter des variantes aux descriptifs figurant dans l'offre, pourvu que celles-ci ne soient pas de nature fondamentale ou essentielle et qu'elles ne constituent pas un obstacle substantiel à l'objet du contrat.
2.5 Si les marchandises sont fabriquées d'après des dessins de l'Acheteur, les dessins faits par celui-ci et approuvés par le Vendeurs font foi. Les différences apportées aux dessins approuvés doivent être convenues séparément et les coûts supplémentaires éventuels en découlant donnent lieu à une rémunération du Vendeur.

3. Droits de protection
3.1 Le Vendeur demeure titulaire des droits d'auteur et de propriété intellectuelle sur l'ensemble des illustrations, dessins, calculs et autres documents ; cette documentation ne peut être utilisée, sans autorisation préalable du Vendeur, à d'autres fins que celles spécifiées par le Vendeur, ni être communiquée à des tiers. La présente clause s'applique notamment aux documents écrits portant la mention « confidentiel » ou « secret » ou une mention similaire.
3.2 Dans le cas où des livraisons effectuées sur la base de dessins ou autres indications de l'Acheteur violeraient les droits de protection de tiers, l'Acheteur dégage le Vendeur de tout recours dans le cadre de leurs relations internes.
3.3 La responsabilité du Vendeur est engagée en cas de recours exercé dans le cadre de l'utilisation contractuelle des marchandises suite à une violation de droits de protection et de demandes de droits de protection (droits de protection) dont un au moins appartenant à la famille des droits de protection est publié soit par l'Office européen des brevets soit dans l'un des États suivant : Allemagne, France, Grande-Bretagne, Chine, Japon ou USA.

4. Recommandations, informations et renseignements
Les recommandations, informations et renseignements sont sans engagement pour autant qu'ils ne se rapportent pas à la marchandise elle-même. Les droits à dommages et intérêts, pour quelque motif juridique que ce soit, sont exclus, excepté s'ils sont fondés sur une faute intentionnelle ou une négligence grave du Vendeur.

5. Prix
5.1 Tous nos prix sont nets et s'entendent « départ usine » (Incoterms 2010, « EXW »), à l'exclusion de l'emballage. La TVA est facturée en sus au taux légal en vigueur.
5.2 Le Vendeur peut facturer à l'Acheteur les éventuels coûts supplémentaires découlant de demandes de modifications.
5.3 En cas d'événements intervenant après la conclusion du contrat qui enchériraient le prix de revient du Vendeur pour ce qui est de l'achat, la production et/ou l'expédition de la marchandise, le Vendeur se réserve le droit d'appliquer une augmentation de prix correspondante.

6. Modalités de paiement
6.1 Les factures sont payables sans déduction aucune dans les 14 jours suivant la date de facture. Aucune remise n'est consentie en l'absence d'accord exprès.
6.2 Le Vendeur se réserve de droit, même en cas d'affectation différente de la part de l'Acheteur, d'imputer un paiement en premier lieu sur la dette en souffrance la plus ancienne. En cas de frais ou d'intérêts déjà constatés, le Vendeur pourra imputer les paiements d'abord sur les frais, puis sur les intérêts et, en dernier lieu, sur la prestation principale.
6.3 L'Acheteur ne pourra prétendre à un règlement par compensation que si et pour autant que ses contre-prétentions ont un caractère exécutoire, qu'elles n'ont pas été contestées ou que le Vendeur les a reconnues par écrit. Le droit de rétention de l'Acheteur est limité aux créances découlant de la relation contractuelle.
6.4 Le Vendeur pourra exiger des intérêts de retard au taux légal en vigueur. Il se réserve expressément le droit d'apporter la preuve d'un préjudice plus élevé résultant du retard.

7. Livraison/date de livraison/retard
7.1 Les délais et dates de livraison ne sont réputés fermes que pour autant qu'ils ont été approuvés expressément par écrit par le Vendeur. Le Vendeur n'est pas tenu de respecter la date ou le délai de livraison si l'Acheteur ne remplit pas ses obligations (paiement d'acomptes, fourniture des documents nécessaires, etc.) dans les délais impartis. Le Vendeur se réserve le droit de faire valoir l'exception d'inexécution du contrat.
7.2 Les délais de livraison courent au plus tôt à compter de la date à laquelle le contrat est conclu par écrit et à laquelle l'ensemble des question techniques est réglé.
7.3 Dans l'hypothèse où l'Acheteur demanderait des modifications, le Vendeur n'est plus tenu de respecter la date ou le délai de livraison. Dans ce cas, les parties conviendront d'une nouvelle date ou d'un nouveau délai de livraison.
7.4 Sauf convention contraire, la date ou le délai de livraison est réputé respecté dès lors que le Vendeur met la marchandise à disposition au lieu convenu.
7.5 L'Acheteur ne peut faire valoir aucun droit en cas de retard de livraison qui ne serait causé ni intentionnellement ni du fait d'une négligence grave du Vendeur. Ceci s'applique notamment aux retards de livraison résultant d'un cas de force majeure, de mouvements sociaux, mesures administratives, défaut de livraison par nos sous-traitants ainsi que tout événement grave, imprévisible et inéluctable. Dans ces cas, la date ou le délai de livraison convenu est reporté d'une durée égale à celle des circonstances faisant obstacle à la livraison. Il ne pourra être fait droit à une demande d'indemnisation pour manque à gagner et préjudices découlant d'une interruption d'exploitation qu'en cas de faute intentionnelle.
7.6 En cas de retard de l'Acheteur pour la réception ou de manquement de sa part à toute autre obligation de coopération, le Vendeur pourra exiger l'indemnisation du préjudice, y compris des coûts supplémentaires qui en résulteraient. Le Vendeur a en outre le droit de fixer à l'Acheteur un délai de réception raisonnable et, après expiration infructueuse de ce délai, de résilier le contrat et d'exiger des dommages et intérêts en lieu et place de la prestation.
7.7 Les livraisons partielles sont autorisées dans une mesure raisonnable. Il s'ensuit que tout recours de la part l'Acheteur en cas de livraison partielle ou de retard de livraison des quantités restantes est exclu.

8. Réserve de propriété
8.1 Le Vendeur conserve la propriété de l'ensemble des marchandises livrées jusqu'à réception de l'ensemble des paiements, y compris les engagements à venir, résultant de la relation de fourniture. En cas de faute contractuelle, notamment de retard de paiement, le Vendeur se réserve le droit de reprendre la marchandise vendue.
8.2 L'Acheteur est tenu de prendre soin de la marchandise livrée et de l'assurer à ses frais, pour sa valeur à l'état neuf, contre toute forme de disparition pendant la durée de la réserve de propriété. Le Vendeur conserve le droit d'assurer lui-même la marchandise aux frais de l'Acheteur.
8.3 En cas de saisie ou autres interventions de tiers, l'Acheteur est tenu d'informer le Vendeur sans délai et par écrit, afin que ce dernier puisse faire valoir sa tierce opposition ou user d'autres voies de droit. Si le tiers ne rembourse pas les coûts judiciaires et extra judiciaires qui en résultent, la responsabilité de l'Acheteur est alors engagée.
8.4 L'Acheteur est autorisé à revendre la marchandise dans le cadre d'opérations commerciales régulières ; il cède toutefois d'ores et déjà au Vendeur l'ensemble des créances, résultant de la revente de la marchandise en question à ses clients ou à des tiers à hauteur du montant total de la somme due (y compris la TVA), et ce indépendamment du fait que la marchandise ait été revendue sans ou après transformation. L'Acheteur est autorisé à recouvrer cette créance même après la livraison. La faculté du Vendeur de recouvrer lui-même ladite créance n'en est pas affectée. Le Vendeur s'engage toutefois à ne pas recouvrer la créance dans la mesure où l'Acheteur respecte ses obligations de paiement sur les produits financiers réalisés, qu'il n'est pas en retard de paiement et notamment qu'il n'existe pas de demande d'ouverture d'une procédure de dépôt de bilan et qu'il n'est pas en état de cessation des paiements.
8.5 Si la marchandise livrée est mélangée ou alliée de manière indissociable à d'autres objets n'appartenant pas au Vendeur, ce dernier acquiert de ce fait une copropriété sur la chose nouvelle ou alliée au prorata de la valeur initiale de la marchandise livrée (montant final de la facture, TVA comprise) par rapport à celle-ci ou aux autres éléments au moment du mélange ou de l'alliage. L'Acheteur sera le dépositaire pour le Vendeur de la propriété exclusive ou de la copropriété ainsi engendrée.
8.6 Si la valeur des sûretés qui ont été consenties excède les créances du Vendeur de plus de vingt pour cent (20 %), celui-ci s'engage à libérer les sûretés excédentaires selon son choix, sur demande de l'Acheteur.
8.7 Dès lors et si tant est que l'enregistrement et/ou la satisfaction d'autres exigences constituent une condition préalable à la validité de la réserve de propriété, l'Acheteur sera tenu de procéder immédiatement et à ses frais à tous les actes nécessaires et de faire les communiqués nécessaires. Dans l'hypothèse où le système juridique en vigueur n'autoriserait pas de clause contractuelle de réserve de propriété, l'Acheteur faisant usage d'un crédit commercial s'engage à fournir au Vendeur d'autres garanties appropriées.

9. Expédition, transfert de risque
9.1 L'expédition s'effectue au risque de l'Acheteur Le risque est toujours transféré à l'Acheteur au plus tard lors de l'envoi de la marchandise, même lorsque d'autres prestations sont acceptées par le Vendeur.
9.2 Si l'expédition subit un retard suite à des circonstances qui ne sont pas imputables au Vendeur, le risque est transféré à l'Acheteur à la date de l'avis d'expédition. Sur demande écrite de l'Acheteur, le Vendeur assurera l'envoi, aux frais de l'Acheteur, contre le bris, les dommages dus au transport au feu et à l'eau.
9.3 Les emballages de transport et autres ne sont pas repris conformément à la réglementation sur les emballages, à l'exception des palettes. L'Acheteur est tenu de procéder à ses propres frais à l'élimination des emballages.

10. Moyens de fabrication
10.1 Dès lors que l'Acheteur met à la disposition du Vendeur des moyens de fabrication (p. ex. outilllage/outils, moules), ces derniers doivent être envoyés gratuitement au Vendeur. La responsabilité du Vendeur ne pourra être engagée en ce qui concerne leur disparition, leur dégradation ou leur réexpédition incomplète et les dommages en résultant qu'en cas de négligence grave ou de faute intentionnelle. La présente clause ne s'applique pas si la responsabilité est obligatoire de par la loi.
10.2 Si l'Acheteur charge le Vendeur de fabriquer ou d'acheter des moyens (outils) de fabrication, une partie des coûts en résultant lui sera facturée séparément. Les moyens de fabrication restent propriété du Vendeur. Celui-ci n'est pas tenu de les restituer à l'Acheteur. Il en ira de même des outillages complémentaires. La règle suivante énoncée au paragraphe 10.3 n'en est pas affectée.
10.3 En cas d'amortissement des coûts des moyens de fabrication supérieur au prix des pièces, l'Acheteur prendra à sa charge en cas de non amortissement d'un outil les coûts non couvert y compris les coûts des divers équipements spécifiques. Les coûts des modèles sont toujours intégralement à la charge de l'Acheteur.
10.4 La transmission à des tiers des dessins (schémas) et des documents remis à l'Acheteur par le Vendeur, ainsi que les propositions de ce dernier visant à la conception et à la production de la marchandise, n'est pas autorisée ; le Vendeur peut à tout moment en exiger la restitution.

11. Garantie des vices/responsabilité
11.1 Le Vendeur décline toute responsabilité pour les dommages résultant d'un manquement aux consignes de manœuvre, de maintenance et de montage, de l'usage inapproprié ou non conforme ou incorrect de la marchandise, d'un traitement impropre ou négligent, de l'usure naturelle, d'un stockage inapproprié ou encore de modifications opérées sur la marchandise par l'Acheteur ou par des tiers. Le montage des marchandises par l'Acheteur ou par des tiers ne doit être effectué que par du personnel qualifié et compétent.
11.2 Le Vendeur a le choix entre réparations et remplacement.
11.3 Le Vendeur ne prend pas à sa charge les frais nécessaires à l'élimination du défaut s'ils sont augmentés du fait que la marchandise a été transportée ultérieurement à la livraison dans un autre endroit que le lieu initial de livraison.
11.4 Les frais générés pour l'Acheteur ou des tiers par le démontage des marchandises défectueuses et le montage de la marchandise de remplacement ou de la marchande réparée ne sont pas des frais de réparation au sens de l'article 439, § 2 du Code civil allemand (BGB).
11.5 Les droits issus de la responsabilité pour vice se prescrivent par 12 mois à compter de la remise de la marchandise, excepté si les droits de garantie en raison des défauts de la chose résultent d'un manquement intentionnel ou d'une négligence grave de la part du Vendeur ou de ses agents d'exécution ou d'une atteinte à la vie, à l'intégrité du corps ou à la santé.
11.6 L'Acheteur est tenu de respecter son obligation d'examen de la marchandise conformément à l'article 377 du Code civil allemand (HBG), même en cas de revente de celle-ci.
11.7 En cas de réclamation pour défauts matériels déposée contre l'Acheteur par ses propres clients, tout droit de recours de l'Acheteur à l'encontre du Vendeur est exclu si l'Acheteur n'a pas respecté son obligation d'examiner les marchandises et d'aviser le Vendeur des défauts qu'il découvre ou si la marchandise a été soumise à un processus de modification.
11.8 La responsabilité légale du Vendeur en matière d'indemnisation est illimitée en cas de manquement intentionnel à ses obligations ou de négligence grave de sa part. Dans le cas où le Vendeur manquerait à ses obligations par négligence légère et où il serait porté atteinte de manière fautive à une obligation contractuelle majeure, le droit aux dommages et intérêts sera limité au dommage prévisible, intervenant de manière caractéristique dans des cas comparables. Toute responsabilité est exclue dans les autres cas.
11.9 La responsabilité en vertu des dispositions de la loi sur la responsabilité du fait des produits ou de normes comparables et impératives de législations étrangères subsiste. Demeure également inchangée la responsabilité en cas d'atteinte à la vie, à l'intégrité du corps et à la santé.
11.10 Dans le cas d'une responsabilité fondée, découlant de faits mentionnés au paragraphe 11.9, la responsabilité du Vendeur vis à vis de l'Acheteur, dans le cadre de législations étrangères, est limitée dans la même mesure qu'elle le serait par la législation étrangère en question.
11.11 Toute exclusion ou limitation de la responsabilité du Vendeur en matière d'indemnisation s'applique également à la responsabilité personnelle des employés, représentants et agents d'exécution du Vendeur.

12. Interdiction de cession
Tous les droits de l'Acheteur à l'encontre du Vendeur sont incessibles.

13. Garantie implicite du produit/obligation d'information
13.1 L'Acheteur ne devra utiliser la marchandise que de manière conforme à sa destination et devra veiller à ce qu'elle ne soit revendue qu'à des personnes au fait des dangers et risques du produit.
13.2 Si l'Acheteur utilise le produit comme matériau de base ou comme sous-produit de ses propres produits, il est tenu, lors de la mise en circulation du produit final de respecter son obligation d'avertissement, relatif également à la marchandise qui lui a été fournie par le Vendeur. Dans le cadre de leurs relations internes, l'Acheteur libérera le Vendeur, à la première demande, de tout recours exercé contre ce dernier pour manquement à ces obligations.

14. Confidentialité
Vis à vis des tiers, l'Acheteur est tenu de garder le secret en matière commerciale et industrielle sur toutes les informations commerciales et techniques qu'il a reçues de la part du Vendeur, dans la mesure où elles ne sont pas généralement connues. Les informations de cette nature ne pourront être communiquées qu'à des fins exclusivement contractuelles à des tiers liés par un accord de confidentialité approprié.

15. Divers
15.1 Le lieu d'exécution est celui où se trouve l'usine du Vendeur concernée.
15.2 Le tribunal compétent pour tout litige découlant du contrat est Heilbronn. Toutefois, le Vendeur est autorisé à assigner l'Acheteur également devant les tribunaux auxquels celui-ci est rattaché en général.
15.3 L'exécution de contrats basée sur les présentes conditions de vente et de livraison est exclusivement régie par le droit allemand à l'exclusion des règles de conflits de lois et de la Convention des Nations Unies sur les contrats de vente internationale de marchandises (CVIM).
15.4 Les parties sont tenues, dans le cadre de l'exécution de la relation contractuelle, de respecter l'ensemble des dispositions légales en vigueur (conformité aux lois).
15.5 Toute convention distincte passée entre les parties et différente des présentes conditions de vente et de livraison ou les complétant, s'applique en priorité.
15.6 En cas d'invalidité totale ou partielle d'une ou plusieurs clauses ci-dessus, la validité des autres clauses n'en sera pas affectée. La clause invalide devra être remplacée par une clause légale s'approchant au plus près du sens et de l'objectif des présentes conditions de vente et de livraison.

Condiciones de venta y entrega de MS Motorservice International GmbH Estado: 2014

1. Ámbito de aplicación
1.1 Se aplicarán exclusivamente las condiciones generales de venta y entrega de MS Motorservice International GmbH (denominado en lo sucesivo «vendedor»). Las condiciones del comprador contrarias o que difieran de las presentes condiciones de venta y entrega se rechazarán, salvo que el vendedor haya aceptado expresamente por escrito la validez de las condiciones divergentes. Las presentes condiciones de venta y entrega también se aplicarán cuando el vendedor lleve a cabo la entrega sin reservas al comprador en conocimiento de que las condiciones del comprador son contrarias o difieren de las propias condiciones de venta y entrega.
1.2 Las condiciones de venta y entrega también se aplicarán a todas las transacciones futuras con el comprador. A través del pedido del comprador, pero a más tardar al recibir la mercancía, el comprador aceptará las presentes condiciones de venta y entrega.
1.3 Las presentes condiciones de venta y entrega serán válidas sólo de cara a la empresa.

2. Oferta y confirmación del pedido
2.1 Las ofertas del vendedor no serán vinculantes. Un pedido realizado por el comprador, que jurídicamente se califica como **oferta,** sólo se considerará aceptado si el vendedor confirma por escrito en un plazo de 4 semanas. El contrato se celebrará a más tardar con el envío de la mercancía solicitada; en caso de entrega parcial, con el envío de la primera entrega.
2.2 Las modificaciones y otros acuerdos sólo serán vinculantes si el vendedor confirma por escrito.
2.3 Si el comprador solicita presupuestos personalizados, éstos estarán sujetos a remuneración. Si se anula la validez del contrato celebrado, sea cual fuere su causa justificativa, la obligación de remuneración para el presupuesto no se verá afectada.
2.4 Los documentos, dibujos, pesos y medidas, muestras, etcétera, contenidos en las ofertas contendrán sólo datos aproximados y no constituirán características. El vendedor podrá desviarse de las descripciones en la oferta, siempre que estas desviaciones no sean fundamentales o esenciales y la finalidad contractual no se vea restringida sustancialmente.
2.5 Cuando las mercancías se producen de acuerdo con los dibujos de los compradores, los dibujos elaborados por el comprador y aprobados por el vendedor serán determinantes. Las divergencias en los dibujos aprobados deberán acordarse de forma específica y cualquier gasto adicional resultado de éstas deberá remunerarse al vendedor.

3. Derechos protegidos
3.1 El vendedor se reserva los derechos de propiedad y de autor con respecto a todas las ilustraciones, cálculos y demás documentos y no se podrán emplear para fines diferentes de los indicados por el vendedor ni relevarse a terceros, salvo que se disponga de una autorización previa por escrito del vendedor. Lo anterior se aplicará sobre todo para la documen-tación escrita, calificada de «confidencial», «secreta» o similar.
3.2 Si las entregas se realizan de acuerdo con los dibujos u otros datos del comprador y, a causa de esto, se violan los derechos de propiedad de terceros, el comprador dispensará al vendedor en las relaciones internas de todas las reclama-ciones.
3.3 El vendedor es responsable de los daños ocasionados por el uso contractualmente correcto de las mercancías derivados de la violación de los derechos protegidos y solicitudes de los derechos protegidos (derechos protegidos), de los cuales al menos uno de la familia de los derechos protegidos figurará en la lista de la Oficina Europea de Patentes o en uno de los estados de la República Federal de Alemania, Francia, Gran Bretaña, Austria, China, Japón o los EE. UU..

4. Recomendaciones e informaciones
Las recomendaciones e informaciones no serán vinculantes en la medida en que no se refieren al producto en sí. Independientemente de la causa justificativa, los derechos de indemnización se excluirán, a menos que se basen en dolo o negligencia grave del vendedor.

5. Precios
5.1 Todos los precios serán precios netos y se entenderán «franco fábrica» (EXW Incoterms 2010) sin el embalaje. Se agregará el impuesto legal a la tasa aplicable.
5.2 El vendedor podrá facturarle al comprador cualquier gasto adicional resultante de las solicitudes de modificación.
5.3 Si después de la celebración del contrato se producen acontecimientos que incrementen los gastos directos del vendedor en la compra, producción y / o envío de la mercancía, el vendedor tendrá derecho de aumentar el precio de forma correspondiente.

6. Condiciones de pago
6.1 Las facturas deberán abonarse dentro de los 14 días a partir de la fecha de facturación sin descuento. El descuento se aplicará sólo si existe un acuerdo expreso por escrito.
6.2 El vendedor tendrá derecho de facturar primero el pago de una deuda más antigua no titulada, incluso con la asigna-ción obligatoria contraria del comprador. En el caso de que ya se hayan contraído cargas o intereses, el vendedor tendrá derecho de facturar primero las cargas, luego los intereses y, finalmente, la prestación principal.
6.3 El derecho a compensación corresponderá al comprador sólo cuando sus contrapretensiones hayan adquirido firmeza legal, sean indiscutibles o hayan sido reconocidas por escrito por el vendedor. El derecho de retención del comprador se limitará a las reclamaciones derivadas de la relación contractual.
6.4 El vendedor estará autorizado a facturar intereses de demora por valor del correspondiente tipo legal de interés de demora aplicable. Se reserva expresamente el derecho de comprobar unos mayores daños por demora.

7. Entrega, plazo de entrega y demora
7.1 Los plazos y fechas de entrega sólo se aplicarán si el vendedor los acepta expresamente por escrito. El vendedor no estará obligado a cumplir con la fecha o plazo de entrega si el comprador incumple sus obligaciones (pago de las reducciones, aportación de los documentos necesarios, etcétera) en el tiempo previsto. La excepción de incumplimiento del contrato está reservada.
7.2 Los plazos de entrega comenzarán no antes del día en que se firme el contrato y todas las cuestiones técnicas hayan quedado resueltas.
7.3 Si el comprador solicita modificaciones, el vendedor quedará exento del cumplimiento de la fecha o plazo de entrega. En este caso, las partes acordarán una nueva fecha o plazo de entrega.
7.4 Salvo que se pacte lo contrario, la fecha o plazo de entrega se cumplirá si el vendedor facilita la mercancía en el lugar convenido.
7.5 Si las demoras en la entrega no corresponden a dolo o negligencia grave por parte del vendedor, el comprador no podrá cursar ninguna reclamación. Lo anterior se aplicará especialmente para demoras en la entrega por casos de fuerza mayor, huelgas u otros conflictos laborales, disturbios, medidas tomadas por las autoridades, carencia de suministros a recibir de los subproveedores y demás sucesos imprevisibles, inevitables y graves. En estos casos, la fecha o plazo de entrega acordado se aplazará de acuerdo con la duración del impedimento para la entrega. La compensación de los beneficios cesantes y los daños ocasionados por la interrupción del negocio se limitará al dolo.
7.6 Si el comprador incurre en demora en la aceptación o infringe otros deberes de cooperación, el vendedor tendrá derecho a exigir una indemnización por los daños causados, que incluye los posibles gastos adicionales. El vendedor también tendrá derecho de fijar un plazo de aceptación razonable al comprador y exigir la rescisión del contrato y reclamar daños y perjuicios en lugar de la prestación después de que el plazo venza sin obtener resultado.
7.7 Se permitirán las entregas parciales de manera razonable. En este sentido, se excluirán las reclamaciones del comprador en cuanto a la entrega parcial o retraso en la entrega de la cantidad restante.

8. Reserva de dominio
8.1 El vendedor conservará la propiedad de todas las mercancías entregadas hasta la recepción de todos los pagos procedentes de la relación de suministro, incluso de las obligaciones que se generen en el futuro. En caso de incumpli-miento del contrato, en particular, en caso de retraso en el pago, el vendedor tendrá derecho de retirar el objeto vendido.
8.2 El comprador estará obligado a tratar las mercancías entregadas con cuidado y a asegurarlas por cuenta propia contra cualquier forma de pérdida durante el período de reserva de dominio por el valor de nuevo. El vendedor tendrá derecho de asegurar la mercancía directamente a cargo del comprador.
8.3 El comprador deberá comunicar sin dilación alguna y por escrito al vendedor cualquier caso de embargo o demás intervenciones de terceros, de modo que éste pueda ejercitar la reclamación por tercería u otros recursos. Se imputará al comprador, siempre que los terceros no reembolsen los costes originados judicial o extrajudicialmente.
8.4 El comprador podrá revender la mercancía dentro del contexto de las prácticas comerciales reglamentarias. No obstante, desde este momento cederá a favor del vendedor todos los cobros pendientes por el valor del importe de la suma final de la factura (IVA incluido) equivalente al crédito, resultante de la enajenación frente a adquirentes o terceros, independientemente de si la mercancía ha sido vendida antes o después de haber sido transformada. El comprador tendrá la facultad de recaudar esta deuda incluso después de la entrega. El derecho del vendedor a recaudar la deuda él mismo no se verá afectado. El vendedor se comprometerá a no cobrar la deuda en tanto el comprador satisfaga sus obligaciones de pago resultantes de los ingresos, no se retrase en el pago y, en particular, no solicite la apertura de un proceso de insolvencia o no declare una suspensión de pagos.
8.5 Si las mercancías entregadas se mezclan o combinan inseparablemente con otras mercancías que no pertenecen al vendedor, el vendedor adquirirá la copropiedad del nuevo o combinado objeto en relación al valor de la mercancía entregada (importe de la suma final de la factura, IVA incluido) para el otro u otros objetos en el momento de la mezcla o combinación. El comprador se encargará de custodiar para el vendedor la propiedad exclusiva o la copropiedad.
8.6 En el caso de que el valor de las garantías entregadas exceda del valor de los créditos del vendedor en total en más de un 20 %, el vendedor tendrá la obligación de liberar, a elección del vendedor, el exceso de las garantías a solicitud del comprador.
8.7 En la medida que el registro y / o el cumplimiento de otras exigencias sea requisito para la efectividad de la reserva de dominio, el comprador estará obligado a emprender y a efectuar inmediatamente y por su propia cuenta todas las acciones y comunicaciones necesarias. En caso de que la legislación vigente no permita el acuerdo de reserva de dominio, el comprador proporcionará al vendedor otras garantías adecuadas al utilizar créditos comerciales.

9. Envío y transmisión del riesgo
9.1 El envío se efectuará a riesgo del comprador. El riesgo siempre pasará al comprador a más tardar con el envío de la mercancía, incluso si el vendedor asume otras prestaciones.
9.2 Si la entrega se retrasa debido a circunstancias de las que el vendedor no es responsable, el riesgo pasará al comprador en el momento en que se comunica al comprador que la mercancía está lista para el envío. A petición por escrito del comprador, el vendedor asegurará el envío a cuenta del comprador contra rotura, transporte, incendio y daños por agua.
9.3 De conformidad con el Decreto de envases, no se aceptará la devolución de embalajes de transporte y demás embalajes; a excepción de las paletas. El comprador estará obligado a hacerse cargo de la eliminación del embalaje por cuenta propia.

10. Elementos de producción
10.1 En caso de que el comprador suministre elementos de producción (tales como herramientas y / o moldes), dichos elementos deberán enviarse sin coste alguno al vendedor. El vendedor no asumirá ninguna responsabilidad por pérdida, desgaste, deterioro o devolución incompleta y los daños resultantes de la misma. Éste asumirá responsabilidad sólo en caso de negligencia grave o dolo. Lo anterior no rige en caso de responsabilidad forzosa prescrita por la ley.
10.2 En caso de fabricación o adquisición de elementos de producción por encargo del comprador, los costes se facturarán aparte y de forma proporcional. El vendedor conservará plena propiedad de los elementos de fabricación, sin que exista ninguna obligación de entregarlos al comprador. Lo anterior se aplicará también a los útiles secuenciales. La siguiente disposición del artículo 10.3 no se verá afectada.
10.3 En el caso de la amortización del coste de los elementos de producción sobre el precio parcial, el comprador asumirá los gastos no cubiertos si uno de dichos útiles no fuera utilizado, incluso de los demás dispositivos a ello vinculados. En todo caso, los costes de los modelos o prototipos correrán, en su totalidad, de cuenta del comprador.
10.4 Queda prohibido entregar a terceros los dibujos y la documentación entregada por el vendedor al comprador, así como las propuestas hechas por el vendedor para el desarrollo y la fabricación de la mercancía; el vendedor tendrá derecho a exigir la devolución de la documentación en todo momento.

11. Responsabilidad debida a defectos materiales y responsabilidad
11.1 El vendedor no asume responsabilidad por los daños causados por el incumplimiento de prescripciones para el manejo, mantenimiento y montaje, la utilización inadecuada o indebida, el uso erróneo o negligente y el desgaste natural, el almacenamiento incorrecto o por las manipulaciones realizadas por el comprador o por terceros en la mercancía. Las mercancías pueden instalarse únicamente por personal especializado del comprador o terceros.
11.2 El vendedor tendrá derecho de elegir entre la reparación o sustitución del artículo defectuoso por uno nuevo.
11.3 Los gastos necesarios debido al cumplimiento posterior no correrán a cargo del vendedor, en tanto que los gastos aumentan debido a que la mercancía haya sido llevada tras su entrega a un lugar distinto al del originalmente previsto.
11.4 Los gastos generados al comprador o terceros en relación con el desmontaje de los productos defectuosos y el montaje de una mercancía nueva o reparada no representarán costes de cumplimiento posterior según la legislación alemana, art. 439, párrafo 2 del código civil alemán.
11.5 Las reclamaciones relacionadas con la responsabilidad debida a defectos materiales caducarán después de un año desde la entrega de la mercancía, salvo que las reclamaciones de responsabilidad debida a defectos materiales se fundamenten en un incumplimiento doloso o gravemente negligente del contrato por parte del vendedor o sus auxiliares ejecutivos o en lo que concierne a daños personales que afecten a la integridad física y la salud.
11.6 El comprador estará obligado a cumplir con la obligación de realizar pruebas de acuerdo con la legislación alemana, art. 377 del código de comercio alemán, incluso con la reventa de la mercancía.
11.7 El derecho de recurso del comprador contra el vendedor en cuanto a la responsabilidad debida a defectos materiales, al que los clientes del comprador se oponen, quedará excluido cuando el comprador no cumpla con la obligación de realizar pruebas y reclamaciones o cuando la mercancía haya sido sometida a una transformación.
11.8 La responsabilidad del vendedor en virtud de las disposiciones legales para la responsabilidad por daños y perjuicios se cumplirá íntegramente cuando un incumplimiento imputable de una obligación del vendedor se fundamenta en dolo o negligencia grave. En la medida en que el incumplimiento imputable de la obligación del vendedor se fundamente en una negligencia simple y se viole una obligación esencial del contrato, la responsabilidad por daños y perjuicios se limitará al daño previsible que se produce normalmente en casos similares. Por lo demás, quedará totalmente excluida la responsabi-lidad.
11.9 La responsabilidad en virtud de las disposiciones de la ley relativa a los productos defectuosos o los derechos indispensables y similares de las legislaciones extranjeras no se verán afectados. Esto se entenderá sin perjuicio de la responsabilidad por daños personales que afecten a la integridad física y la salud.
11.10 En cuanto a la responsabilidad en virtud de los hechos constitutivos del párrafo 11.9, la responsabilidad del vendedor en cuanto a las legislaciones extranjeras en relación con el comprador se limitará a lo que marque la legislación extranjera.
11.11 La exclusión o la limitación de la responsabilidad por daños y perjuicios respecto al vendedor valdrá también en lo relativo a la responsabilidad personal por daños y perjuicios imputable a los empleados, representantes y auxiliares ejecutivos.

12. Prohibición de cesión
Todas las reclamaciones del comprador contra el vendedor no serán transferibles.

13. Responsabilidad relativa a los productos defectuosos y deber de advertencia
13.1 El comprador podrá utilizar la mercancía sólo de la manera prevista y deberá asegurarse de que esta mercancía se revenda sólo a las personas familiarizadas con los peligros y riesgos del producto.
13.2 Cuando el comprador use los productos del vendedor como producto primario y subproducto en productos propios para la comercialización como producto final, éste estará obligado a cumplir también con el deber de advertencia en cuanto a los productos entregados por el vendedor. En las relaciones internas, el comprador renunciará a toda pretensión contra el vendedor en cuanto al incumplimiento de la presente obligación a primer requerimiento.

14. Confidencialidad
El comprador deberá tratar todas las informaciones comerciales y técnicas recibidas por el vendedor como secretos comerciales y empresariales frente a terceros, salvo que éstas sean de dominio público. Dicha información será revelada únicamente con fines contractuales a terceros vinculados a un acuerdo de confidencialidad correspondiente.

15. Otros
15.1 El lugar de cumplimiento será el lugar en el que se encuentre la fábrica de venta correspondiente.
15.2 La jurisdicción para todos los litigios derivados del contrato será la de Heilbronn (Alemania). No obstante, el vendedor podrá demandar al cliente en su jurisdicción general.
15.3 Para la ejecución de los contratos sobre la base de las presentes condiciones de venta y entrega, se aplicará exclusivamente la ley alemana con exclusión del derecho de colisión y del derecho de adquisición de las Naciones Unidas.
15.4 En el contexto de la ejecución de la relación contractual, las partes están obligadas a cumplir todas las disposiciones legales aplicables (conformidad con las leyes).
15.5 Los acuerdos que se desvíen o que complementen por separado las presentes condiciones de venta y entrega entre las partes tendrán prioridad.
15.6 En la medida que una o más de las anteriores disposiciones sean total o parcialmente inválidas, la validez de las disposiciones restantes no se verá afectada. La disposición nula será sustituida por una disposición legal válida que alcance el objetivo y propósito de las presentes condiciones de venta y entrega en la medida de lo posible.

Условия продажи и поставки MS Motorservice International GmbH Состояние на: 2014 год

1. Сфера применения
1.1 Общие условия продажи и поставки MS Motorservice International GmbH (далее – „продавец“) имеют исключительное действие. Противоположные или отличающиеся от настоящих условий продажи и поставки условия покупателя не признаются, за исключением случаев, когда продавец однозначно письменно признал их действительность. Настоящие условия продажи и поставки действительны и в том случае если продавец, зная противоположные или отличающиеся от собственных условий продажи и поставки условия покупателя, осуществляет поставку для покупателя без предварительных договоренностей.
1.2 Условия продажи и поставки распространяются и на все будущие сделки с покупателем. Условия продажи и поставки признаются покупателем при размещении заказа, самое позднее - при приемке товара.
1.3 Настоящие условия продажи и поставки действуют только в отношении предпринимателей.

2. Предложение и подтверждение заказа
2.1 Предложения продавца всегда являются свободными. Заказ покупателя, с правовой точки зрения квалифицируемый как **предложение**, считается принятым только при письменном его подтверждении продавцом в течение 4 недель. Договор вступает в силу не позднее, чем с момента отправки заказанного товара, при частичной поставке - с момента отправки первой партии.
2.2 Изменения и прочие соглашения являются обязывающими только в случае их письменного подтверждения продавцом.
2.3 Если покупатель запрашивает индивидуальные предварительные сметы, за них причитается вознаграждение. В случае недействительности заключенного договора на каком бы то ни было правовом основании, обязанность вознаграждения за предварительную смету сохраняется.
2.4 Содержащиеся в предложениях документы, чертежи, данные о весе и размерах, образцы и т.д., являются лишь приблизительными данными, а не характеристиками качества. Продавец имеет право отклониться от описанных данных в предложении, если такое отклонение не играет решающей или существенной роли, а цель договора при этом не будет существенно ограничена.
2.5 Если товары изготавливаются по чертежам покупателя, определяющими являются составленные покупателем и одобренные продавцом чертежи. Отклонения от уже одобренных чертежей согласовываются отдельно, а любые дополнительные расходы должны быть возмещены продавцу.

3. Патенты
3.1 Продавец сохраняет за собой право собственности и авторское право на все изображения, чертежи, расчеты и прочие документы; без предварительного письменного разрешения продавца они не могут быть использованы в целях, не указанных продавцом, либо переданы третьим лицам. В особенности, это касается письменных документов с пометками „конфиденциально“, „секретно“ или подобными им.
3.2 Если поставки осуществляются по чертежам или прочим данным покупателя, и при этом нарушаются патенты третьих лиц, покупатель, в рамках отношений партнеров по договору, снимает с продавца все претензии.
3.3 Продавец несет ответственность за претензии, возникшие при использовании товара в соответствии с договором, в связи с несоблюдением патентов и заявок на выдачу патентов (охранных прав), из которых, по меньшей мере, один из семейства патентов был опубликован либо Европейским патентным ведомством, либо в одной из следующих стран: Федеративная Республика Германия, Франция, Великобритания, Австрия, Китай, Япония или США.

4. Рекомендации, информация и справки
Рекомендации, информация и справки являются необязательными, если они не относятся непосредственно к товару. Претензии о возмещении ущерба на каком бы то ни было правовом основании исключены, кроме случаев, когда они возникают в связи с умышленными или грубо халатными действиями продавца.

5. Цены
5.1 Все цены нетто и действуют на условиях франко-завод (Incoterms 2010, „EXW“), за исключением упаковки. Законодательно установленный налог с оборота в соответствующем размере начисляется дополнительно.
5.2 Возможные дополнительные затраты, возникшие в связи с пожеланиями покупателя по изменению, могут быть включены продавцом в счет покупателя.
5.3 В случае если после заключения договора возникнут события, повышающие себестоимость товара продавца при его закупке, производстве и /или отправке, продавец имеет право на соответствующее повышение цены.

6. Условия оплаты
6.1 Счета подлежат полной оплате в течение 14 дней со дня выставления счета. Скидки действуют только при наличии явного письменного соглашения.
6.2 Продавец имеет право, даже при противоположной целевой привязке покупателя, начислить оплату сначала в счет самого старого, не документированного долга. В случае возникновения расходов и процентов, продавец имеет право зачесть платежи сначала на оплату расходов, затем процентов, и в последнюю очередь - на оплату основного продукта или услуги.
6.3 Право на взаимный зачет встречных требований покупатель имеет только в случае если встречные требования определены имеющими законную силу, неоспоримы или письменно признаны продавцом. Право покупателя на удержание оплаты ограничено претензиями, возникающими из договорных отношений.
6.4 Продавец имеет право требовать пеню за просрочку платежа в размере действующей в настоящее время процентной ставки за просрочку платежа, определенной законом. Сохраняется право обоснования более высокого ущерба от просрочки.

7. Поставка/срок поставки/задержка
7.1 Договоренность о сроках и дате поставки считается обязательной только в случае если они однозначно письменно одобрены продавцом. Продавец не обязан соблюдать дату и/или срок поставки, если покупатель не выполняет свои обязательства (выплата задатка, предоставление необходимых документов и т.д.) своевременно. Сохраняется право на возражение стороны о неисполнении договора другой стороной.
7.2 Срок поставки начинается не ранее дня письменного заключения договора и разъяснения всех технических вопросов.
7.3 При наличии пожеланий покупателя по изменению, продавец освобождается от соблюдения даты и/или срока поставки. В данном случае стороны согласуют новую дату поставки или новые сроки поставки.
7.4 При отсутствии иных договоренностей, дата поставки или срок поставки считаются соблюденными, если товар доставлен продавцом в согласованное место.
7.5 Покупатель не имеет права предъявлять претензии по задержкам поставки, не вызванным умыслом или грубой халатностью продавца. В частности, это касается задержки поставки в связи с форс-мажорными обстоятельствами, забастовками, беспорядками, административными мерами, непоставками товаров субпоставщиками и прочими непредвиденными, неотвратимыми и существенными обстоятельствами. Согласованные сроки и даты поставки в этом случае продлеваются в соответствии с длительностью действия фактора задержки поставки. Возмещаются только упущенная прибыль и ущерб в связи с простоем, которые вызваны умышленными действиями.
7.6 В случае просрочки приемки товара покупателем или нарушения им прочих обязательств по содействию, продавец имеет право требовать возмещения понесенного ущерба, включая возможные дополнительные расходы. Кроме того, продавец имеет право устанавливать приемлемый срок приемки товара покупателем, а по истечении срока в одностороннем порядке выйти из договора и потребовать возмещения ущерба вместо выполнения договорных обязательств.
7.7 Частичные поставки допустимы в приемлемом объеме. В связи с этим претензии покупателя по частичной поставке или задержанной поставке остаточной партии исключаются.

8. Оговорка об условиях перехода права собственности на товар
8.1 Продавец сохраняет право собственности на все поставленные товары до поступления всех платежей в рамках отношений, возникающих при осуществлении поставок, а также будущих обязательств. При действиях, противоречащих условиям договора, в частности, при задержке оплаты, продавец имеет право забрать товар назад.
8.2 Покупатель обязуется бережно обращаться с поставленными товарами, и в течение срока перехода собственности на товар, за собственный счет застраховать его против любого вида уничтожения по стоимости нового изделия. За продавцом сохраняется право самостоятельно страховать товар за счет покупателя.
8.3 При наложении ареста на имущество или прочих вмешательствах третьих лиц покупатель обязан незамедлительно письменно информировать продавца, чтобы он смог подать иск об исключении имущества из описи или иную апелляцию. В случае если третье лицо не возместит возникшие в связи с этим судебные и внесудебные расходы, ответственность за них несет покупатель.
8.4 Покупатель имеет право перепродавать товар в рамках нормального делового процесса; однако он уже сейчас уступает продавцу все требования в размере итоговой суммы счета-фактуры (включая налог на добавленную стоимость), которые у него возникают при перепродаже по отношению к клиенту или третьему лицу, независимо от того, был ли товар перепродан без переработки или после нее. Покупатель имеет право на предъявление этого требования к оплате и после передачи товара. Это не отменяет право продавца на самостоятельное взыскание этого требования. Продавец, однако, обязуется не взыскивать это требование до тех пор, пока покупатель выполняет свои обязательства по платежам из полученных доходов, не просрочивает платежи, не подал заявление о начале процедуры банкротства, или не наблюдается прекращение платежей.
8.5 При нераздельном смешении и соединении поставленного товара с предметами, не являющимися собственностью продавца, продавец приобретает право долевой собственности на новое или соединенное имущество в пропорции, равной отношению стоимости поставленного товара (итоговая сумма по счету-фактуре, включая налог на добавленную стоимость) к стоимости других товаров на момент смешения или соединения. Покупатель хранит для продавца возникшую таким образом единоличную или долевую собственность.
8.6 Если стоимость предоставленного залога превышает стоимость требований продавца в общем более чем на 20%, продавец обязуется по требованию покупателя вернуть тому избыточный залог по выбору продавца.
8.7 Если условием действительности оговорки об условиях перехода права собственности на товар является регистрация и/или выполнение иных требований, то покупатель обязан за свой счет незамедлительно предпринять все необходимые для этого действия и сделать все необходимые сообщения. Если совокупность действующих правовых норм не допускает договоренности об условиях перехода права собственности на товар, покупатель обязан предоставить продавцу другие соразмерные гарантии при получении товарного кредита.

9. Отправка, переход рисков
9.1 Отправка осуществляется на риск покупателя. Риск всегда переходит на покупателя не позднее, чем с момента отправления товара, даже если прочие услуги берет на себя продавец.
9.2 Если отправка задерживается вследствие обстоятельств, не зависящих от продавца, риск переходит на покупателя в день уведомления о готовности к отправке. По письменной просьбе покупателя отправляемый товар страхуется продавцом за счет покупателя на случай ущерба при поломке, повреждении при транспортировке, пожаре и наводнении.
9.3 Транспортная и прочая упаковка, за исключением палет, не принимается назад в соответствии с Предписанием по упаковке. Покупатель обязан осуществить утилизацию упаковки за собственный счет.

10. Средства производства
10.1 Если покупатель предоставляет в распоряжение продавца средства производства (например, инструменты, формы), то они должны поставляться продавцу бесплатно. Продавец берет на себя ответственность за их поломку, ухудшение или неполный возврат и следующий из этого ущерб только в случае грубой халатности или умышленных действий. Данное положение не действует, если законом устанавливается обязательная ответственность.
10.2 Когда средства производства изготавливаются или приобретаются продавцом по поручению покупателя, продавец включает в счет соответствующие издержки. Эти средства производства остаются в собственности продавца. Продавец не обязан выдавать их покупателю. Это относится также и к последовательным штампам. Изложенное ниже положение под пунктом 10.3 при этом сохраняет свою силу.
10.3 В случае амортизации расходов на средства производства по стоимости частей, покупатель берет на себя непокрытые расходы при неамортизации инструмента, включая расходы на прочее типизированное оборудование. Затраты на модели всегда покрываются в полном объеме за счет покупателя.
10.4 Запрещено передавать третьим лицам выданные покупателю продавцом чертежи и документы, а также сообщать о предложениях продавца о конструировании и изготовлении товара. Данные чертежи и документы могут быть истребованы назад продавцом в любое время.

11. Ответственность за недостатки, обнаруженные в товаре / ответственность
11.1 Продавец не несет ответственности за ущерб, вызванный нарушением предписаний по эксплуатации, техническому обслуживанию и монтажу, использованием не по назначению или неквалифицированным использованием, неправильным или небрежным обращением, естественным износом, неправильным хранением, или изменением товара продавцом или третьими лицами. Монтаж товара по поручению покупателя или третьих лиц должен выполняться только обученными специалистами.
11.2 Выбор между устранением дефектов и поставкой нового товара делает продавец.
11.3 Продавец не покрывает издержки, необходимые для устранения дефекта, если повышение издержек связано с перевозкой товара после поставки в иное место, чем исходное место поставки.
11.4 Издержки, возникающие у покупателя или третьих лиц в связи с демонтажем дефектных товаров и монтажом новых или отремонтированных товаров, не являются затратами на устранение дефекта в смысле § 439 абз. 2 Гражданского уложения Германии.
11.5 Срок действия требования устранения недостатков, обнаруженных в товаре, истекает через год с момента передачи товара, кроме случаев, когда требование устранения недостатков, обнаруженных в товаре, основано на неисполнении обязательств продавцом или лицом, действующим по поручению продавца, по грубой халатности или умыслу, или в случае ущерба жизни и здоровью, а также телесных повреждений.
11.6 Покупатель обязуется выполнить свою обязанность исследования товара при покупке согласно § 377 Торгового уложения Германии, в том числе и в случае перепродажи товара.
11.7 Исключается применение покупателем права регресса по отношению к продавцу в связи с таким требованиями устранения недостатков, выдвинутыми покупателю клиентами, если покупатель не выполнил свою обязанность исследования товара при покупке и обязанность немедленно извещать о претензиях к качеству товара, или если товар был изменен при переработке.
11.8 Ответственность продавца за возмещение ущерба согласно положениям закона не ограничена, если вменяемое продавцу невыполнение обязанностей основано на умысле или грубой халатности. Если вменяемое продавцу невыполнение обязанностей основано на простой халатности, и виновно нарушены важные договорные обязательства, ответственность за возмещение ущерба ограничивается прогнозируемым ущербом, обычно возникающим в аналогичных случаях. В остальных случаях ответственность исключена.
11.9 Это не затрагивает ответственность согласно Закону об ответственности за продукцию или аналогичным неотъемлемым правам зарубежных законодательств. Сохраняется ответственность за ущерб, нанесенный жизни и здоровью, а также при телесных повреждениях.
11.10 Если ответственность по фактам, указанным в пункте 11.9, обоснована, ответственность продавца по отношению к покупателю в рамках зарубежных законодательств ограничена пределами, допустимыми соответствующим зарубежным законодательством.
11.11 Если ответственность продавца за возмещение ущерба исключена или ограничена, это распространяется и на личную ответственность за возмещение ущерба сотрудников, представителей и лиц, действующих по поручению продавца.

12. Запрещение переуступки
Все требования покупателя по отношению к продавцу не подлежат переуступке.

13. Ответственность за продукцию/обязанность давать указания
13.1 Покупатель обязан использовать товар только по назначению и гарантировать перепродажу товара только лицам, ознакомленным с опасностями и рисками, связанными с продуктом.
13.2 Покупатель обязуется давать соответствующие указания в случае использования товара в качестве основного материала и компонента собственных продуктов при сбыте конечного продукта, и относительно товара, поставленного продавцом. В рамках отношений партнеров по договору, покупатель освобождает продавца от предъявления претензий при нарушении этого обязательства по первому требованию.

14. Конфиденциальность
Покупатель обязан в отношении с третьими лицами обращаться со всей коммерческой и технической информацией, полученной от продавца, как с коммерческой и производственной тайной, кроме случаев, когда она общеизвестна. Подобная информация может быть передана третьим лицам, заключившим соглашение о сохранении конфиденциальности, только в целях, установленных договором.

15. Прочее
15.1 Местом исполнения является местонахождение соответствующего завода продавца.
15.2 Местом судебного рассмотрения всех споров по данному договору является Хайльбронн. Продавец, однако, имеет право предъявить иск покупателю по месту его общей подсудности.
15.3 При исполнении договора по данным условиям продажи и поставки действует исключительно германское законодательство, за исключением случаев применения коллизионного права и Конвенции ООН о договорах международной купли-продажи товаров.
15.4 В рамках действия отношений по договору, стороны обязуются выполнять все действующие положения закона (соблюдать законы).
15.5 Отдельные соглашения между сторонами, отступающие от данных условий продажи и поставки, или дополняющие их, имеют преимущественное действие.
15.6 Если одно или несколько изложенных выше положений окажется полностью или частично недействительным, остальные положения сохраняют силу. Недействительное положение должно быть заменено на законно допустимое положение, максимально приближенные к смыслу и цели данных условий продажи и поставки.

شروط البيع والتوريد لشركة MS Motorservice International GmbH ذات المسؤولية المحدودة إصدار: 2014

1 نطاق السريان

1-1 تسري شروط البيع والتوريد العامة الخاصة بشركة MS Motorservice International GmbH ذات المسؤولية المحدودة (سيُشار إليها فيما بعد باسم "البائع") حصريًا. ولا يتم إقرار شروط المشتري المخالفة أو المختلفة عن شروط البيع والتوريد الواردة هنا، ما لم يقم البائع بالموافقة صراحةً وكتابيًا على سريان الشروط المختلفة. كما تسري شروط البيع والتوريد هذه في حالة قيام البائع بالتسليم للمشتري دون أي تحفظ، مع الدراية بما وضعه المشتري من شروط مخالفة أو مختلفة عن شروط العمل والتوريد الخاصة بالبائع.

1-2 تسري شروط البيع والتوريد أيضًا على كل الصفقات المستقبلية التي يتم عقدها مع المشتري. ويقرّ المشتري بشروط البيع والتوريد هذه من خلال ما يتقدم به من طلبات، وبقبوله للبضاعة على أقصى تقدير.

1-3 لا تسري شروط البيع والتوريد هذه إلا على الشركات.

2 العرض وتأكيد الطلبية

2-1 تعد عروض البائع دائمًا غير ملزمة. أي طلب يتقدم به المشتري، ويعد من الناحية القانونية **عرضًا**، لا يعتبر مقبولاً إلا إذا قام البائع بتأكيده كتابيًا خلال 4 أسابيع. ويتحقق العقد، على أقصى تقدير، بإرسال البضاعة المطلوبة أو بإرسال أول توريد في حالة التوريد على دفعات.

2-2 لا تعد التغييرات أو الاتفاقات الأخرى ملزمة إلا عند قيام البائع بتأكيدها كتابيًا.

2-3 طالما قام المشتري بطلب تقديرات تكلفة خاصة، فهذه التقديرات تعتبر ملزمة للتعويض المادي. إذا تم إيقاف سريان العقد المبرم لأي سبب من الأسباب القانونية، فسيظل الالتزام بالتعويض المادي عن تقدير التكلفة قائمًا.

2-4 تعد المستندات والرسومات وبيانات الأوزان والقياسات والنماذج، وما إلى ذلك، الواردة في هذه العروض بيانات تقريبية ولا تمثل أي ميزات جودة معينة. ويحق للبائع الاختلاف عن الأوصاف الواردة في العرض طالما أن الاختلافات التي تطرأ ليست أساسية أو جوهرية، ولا تقيّد الغرض التعاقدي بشكل حيوي.

2-5 طالما تم إنتاج البضاعة وفقًا لرسومات المشتري، فتعتبر الرسومات التي وضعها المشتري ووافق عليها البائع أساسية وحاسمة. ويجب الاتفاق بشكل خاص على أية اختلافات عن الرسومات التي تمت الموافقة عليها، مع تعويض البائع عنها بتكلفة إضافية محتملة.

3 قوانين الحماية

3-1 يحتفظ البائع بحق ملكية وطبع ونشر كل الصور والرسومات والحسابات والمستندات الأخرى، وبدون الحصول على موافقة كتابية مسبقة من البائع يُحظر إطلاع أطراف أخرى عليها، كما يُحظر استخدامها لأغراض أخرى بخلاف ما حدده البائع. ويسري ذلك بصفة خاصة على المستندات المكتوبة التي توصف بأنها "خاصة" أو "سرية" أو ما شابه ذلك.

3-2 إذا تمت عمليات التوريد وفقًا لرسومات أو تعليمات أخرى خاصة بالمشتري، وترتّب على ذلك خرق قوانين الحماية الخاصة بطرف آخر، فسيقوم المشتري بإعفاء البائع من جميع المطالبات فيما بينهم.

3-3 يعد البائع مسئولاً عن المطالبات التي تنشأ، عند استخدام البضاعة بموجب التعاقد، عن خرق قوانين الحماية وتطبيقات الملكية الفكرية (قوانين الحماية)، والتي نُشر منها قانون واحد على الأقل من مجموعة قوانين الحماية وذلك إما من قبل مكتب براءات الاختراع الأوروبي أو في إحدى الدول التالية: ألمانيا أو فرنسا أو بريطانيا أو النمسا أو الصين أو اليابان أو الولايات المتحدة الأمريكية.

4 التوصيات والمعلومات والبيانات

تعد التوصيات والمعلومات والبيانات غير ملزمة طالما أنها لا ترتبط بالبضاعة نفسها. تُستبعد مطالبات التعويض، مهما كان سندها القانوني، ما لم يكن سببها تعامل البائع على نحو متعمد أو بإهمال جسيم.

5 الأسعار

5-1 جميع الأسعار تعد أسعارًا صافية، وتسري عند خروج البضاعة "من المصنع" (قوانين Incoterms 2010، تسليم البضاعة في المصنع "EXW") مع استثناء العبوة. وتُضاف ضريبة المبيعات بالقيمة السارية في وقتها.

5-2 يحق للبائع أن يضيف لحساب المشتري التكلفة الإضافية المحتملة التي تنشأ عن طلبات التغيير.

5-3 إذا وقعت أحداث بعد إبرام العقد من شأنها أن ترفع سعر التكاليف الأساسية التي يتحملها البائع عند شراء وإنتاج و/أو شحن البضاعة، يحق عندئذ للبائع رفع الأسعار بما يناسب ذلك.

6 شروط الدفع

6-1 تعد الفواتير مستحقة السداد خلال 14 يومًا من تاريخ الفاتورة دون خصومات. ولا يسري الخصم النقدي إلا باتفاق كتابي صريح.

6-2 يحق للبائع، حتى في حالة توفر مخصصات مخالفة لدى المشتري، القيام بتقييد الدفع مبدئيًا على الدين الأقدم غير المُسمى. فإذا نشأت بالفعل تكاليف أو فوائد، فيحق للبائع تقييد الدفع مبدئيًا على التكاليف، ثم على الفوائد، وفي النهاية على الخدمة الرئيسية.

6-3 لا يحق للمشتري تحصيل أية مبالغ إلا في حالة إثباته ما يثبت حقه في ذلك، أو كانت دعواه مفروغ منها ومسلم بها، أو عند قيام البائع بالإقرار بذلك كتابيًا. ويقتصر حق المشتري في التحفظ على المطالبات الناشئة عن العلاقة التعاقدية.

6-4 يحق للبائع المطالبة بفوائد عن التأخير بقيمة سعر فوائد التأخير القانوني الساري في وقتها.
مع الاحتفاظ صراحةً بحق إثبات وقوع أي ضرر أكبر ناتج عن التأخير في الدفع.

7 التوريد/موعد التوريد/التأخير

7-1 لا تسري فترات ومواعيد التوريد باعتبارها اتفاقًا ملزمًا إلا عند قيام البائع بالموافقة عليها موافقة كتابية صريحة. ولا يعتبر البائع ملزمًا بموعد أو فترة التوريد ما لم يقم المشتري بالوفاء بالتزاماته (الإيداع في الحساب وتوفير المستندات اللازمة وما إلى ذلك) في الوقت المحدد. مع استمرار الاحتفاظ بحق الاعتراض بشأن عدم الوفاء بالعقد.

7-2 تبدأ فترات التوريد في موعد أدناه اليوم الذي تم فيه إبرام العقد كتابيًا وإيضاح كل المسائل الفنية.

7-3 في حالة توفر طلبات تغيير لدى المشتري، يُعفى البائع من الالتزام بموعد أو فترة التوريد. وفي هذه الحالة، يقوم الطرفين بالاتفاق على موعد تسليم جديد أو فترة تسليم جديدة.

7-4 ما لم يُتفق على خلاف ذلك، ينبغي الالتزام بموعد أو فترة التوريد عند قيام البائع بتوريد البضاعة في المكان المتفق عليه.

7-5 لا يحق للمشتري التقدم بمطالبات عن حالات التأخير في التوريد التي لا يرجع سببها إلى تعمد أو إهمال جسيم من قبل البائع. ويسري هذا على وجه الخصوص على حالات تأخير التوريد الناتجة عن الكوارث الطبيعية وإضرابات العمال والقلاقل والإجراءات التهديدية وحدوث ما يؤدي إلى إلغاء التوريدات من الموردين وغيرها من الأحداث الجسيمة المفاجئة والتي لا قبل لأحد بها. وفي هذه الحالات، يُؤجل موعد أو فترة التوريد المُتفق عليها وفقًا لمدة معوقات التوريد. ويقتصر التعويض عن المكسب المفقود والخسائر الناجمة عن انقطاع العمل على حالات التعمد.

7-6 في حالة تأخر المشتري في القبول أو قيامه بخرق التزامات المشاركة الأخرى، فيحق للبائع المطالبة بالتعويض عن الأضرار الناشئة بهذا الصدد، بما في ذلك النفقات الإضافية المحتملة. كما يحق للبائع أيضًا أن يحدد للمشتري مهلة مناسبة للقبول، ويتراجع عن العقد بعد انقضاء هذه المهلة بدون تحقيق نتائج مجدية، والمطالبة بالتعويض عن الأضرار بدلاً من الخدمة.

7-7 يُسمح بالتوريد على دفعات في الإطار المعقول. وبهذا الصدد، تُستبعد مطالبات المشتري الناتجة عن التوريد على دفعات أو التوريد المتأخر للكمية المتبقية.

8 التحفظ على الممتلكات

8-1 يحتفظ البائع بحق ملكية كل البضائع المورّدة حتى استلام كل المدفوعات، الناشئة عن علاقة التوريد، بما في ذلك الالتزامات الناشئة مستقبلاً. وفي حالات التصرف على نحو مخالف للعقد، وخاصة في حالة تأخر الدفع، يحق للبائع استعادة البضاعة.

8-2 يلتزم المشتري بالتعامل بعناية مع البضاعة المورّدة، وبتأمينها، وهي في حالة جديدة، على نفقته الخاصة ضد كل أشكال الإهلاك، وذلك أثناء مدة حق التحفظ على الممتلكات. ويظل للبائع الحق في تأمين البضاعة بنفسه على نفقة المشتري.

8-3 في حالات مصادرة البضاعة أو ادعاء طرف آخر بامتلاكها، ينبغي على المشتري إخطار البائع بذلك فورًا وكتابيًا حتى يمكن رفع دعوى معارضة لإجراءات هذا الطرف أو رفع غيرها من الطعون القضائية. طالما أن الطرف الآخر لم يقم بسداد النفقات القضائية وغير القضائية الناشئة عن ذلك، فسيكون المشتري مسئولاً عن ذلك.

8-4 يحق للمشتري إعادة بيع البضاعة في عملية تجارية سليمة، غير أنه يتعين عليه في هذه الحالة أن يتنازل للبائع عن جميع المطالبات بمقدار المبلغ النهائي للفاتورة (شاملاً ضريبة القيمة المضافة)، وذلك بصرف النظر عن التزاماته تجاه عملائه أو أي طرف آخر، على أن يتم ذلك بصرف النظر عما إذا كانت البضاعة قد أعيد بيعها بدون إعادة معالجتها أو بعدها. ولتضمين هذه المطالبة يظل المشتري مخولاً وله الحق حتى بعد التوريد. ولا يؤثر ذلك على حق البائع المكفول في تضمين المطالبة بنفسه. إلا أن البائع يتعهد بعدم تضمين المطالبة طالما أن المشتري ملتزم بدفع المبالغ المستحقة عليه بموجب التعاقد، ولا يتأخر عن سدادها، وطالما أنه بصفة خاصة لم يقدم طلباً بفتح إجراءات الإعسار أو لم يطلب إيقاف دفع المبالغ المستحقة.

8-5 إذا تم، على نحو غير منفصل، توصيل أو خلط البضاعة المورّدة مع أشياء أخرى لا تخص البائع، فسيحصل البائع على مشاركة في ملكية البضاعة الجديدة أو الموصلة بنسبة تعادل قيمة البضاعة المورّدة (المبلغ النهائي للفاتورة، شاملاً ضريبة القيمة المضافة) إلى الشيء أو الأشياء الأخرى في وقت الخلط أو التوصيل. ويحتفظ المشتري لنفسه بالحق في التفرد بالملكية وحده أو إشراك البائع فيها.

8-6 إذا تجاوزت قيمة التأمينات المقدمة القيمة الإجمالية لمطالبات البائع بنسبة تزيد عن 20%، فبناءًا على طلب المشتري، سيكون البائع ملزمًا بإتاحة التأمينات الزائدة حسب اختياره.

8-7 طالما أن تسجيل و/أو تلبية المتطلبات الأخرى يعد شرطاً لدخول التحفظ على الملكية حيز التنفيذ، فإن المشتري يتعهد باتخاذ جميع التدابير اللازمة لذلك على نفقته الخاصة وأن يقوم بعمل جميع الإبلاغات والإخطارات المطلوبة. إذا لم يكن القانون الساري يسمح بإبرام اتفاق بشأن التحفظ على الملكية، فإن المشتري يقدم للبائع التأمينات الأخرى اللازمة، وذلك عند استغلال قرض البضاعة.

9 الشحن، نقل المخاطر

9-1 يتحمل المشتري مسؤولية الشحن. تنتقل المخاطر دائمًا على أقصى تقدير مع إرسال البضاعة إلى المشتري، حتى عندما يتولى البائع القيام بخدمات أخرى.

9-2 إذا تأخر الشحن بسبب ظروف لا يعد البائع مسئولاً عنها، فستنتقل المخاطر إلى المشتري من يوم الإبلاغ عن الاستعداد للشحن. يقوم البائع بتأمين الإرسال ضد الأضرار الناتجة عن الكسر أو النقل أو النار أو المياه على نفقة المشتري وبناء على طلب كتابي منه.

9-3 لا يتم استرداد عبوات النقل وكل العبوات الأخرى وفقًا لقوانين التعبئة والتغليف، وذلك باستثناء لوحات التحميل. يتعهد المشتري بأن يتولى التخلص من العبوات على نفقته الخاصة.

10 وسائل الإنتاج

10-1 طالما أن المشتري يوفر للبائع وسائل إنتاج (مثل الأدوات والأشكال)، فيجب إرسالها للبائع بدون أية رسوم أو نفقات. ولا يتحمل البائع أية مسؤولية عن تعطلها أو تلفها أو عدم اكتمال حالتها عند إعادة تسليمها ولا عن الأضرار التي تنتج عن ذلك، ولا يسري ذلك على حالات التعمد أو الإهمال الجسيم. ولا يسري ذلك طالما كانت هناك قوانين تستوجب المسؤولية.

10-2 في حالة قيام البائع بتصنيع أو شراء وسائل إنتاج باسم المشتري، فسوف يضيف البائع التكاليف الناتجة عن ذلك في الفاتورة بشكل منفصل. وتظل وسائل الإنتاج ملكية خاصة للبائع. والبائع غير ملزم بإعادتها إلى المشتري. ويسري ذلك أيضاً على أدوات الضبط. ويظل التنظيم التالي الوارد في بند 10-3 غير متأثرًا بذلك.

10-3 في حالة إهلاك نفقات وسائل الإنتاج عن طريق سعر الأجزاء، فسيتحمل المشتري، في حالة عدم إهلاك إحدى الأدوات، النفقات غير المدفوعة بما في ذلك نفقات التجهيزات الأخرى المرتبطة بذلك. يقوم المشتري دائمًا بتحمل النفقات المستحقة عن الموديلات بالكامل.

10-4 الرسومات والمستندات التي يقوم البائع بتسليمها للمشتري، وكذلك النماذج التي يقترحها البائع لتصميم الأشكال ولإنتاج البضاعة لا يجوز تمريرها لطرف آخر، ويمكن أن يقوم البائع باستردادها في أي وقت.

11 ضمان العيوب/المسؤولية القانونية

11-1 لا يعد البائع مسئولاً عن الأضرار التي تنشأ عن عدم الالتزام بتعليمات الاستعمال والصيانة والتركيب أو بسبب الاستخدام غير المناسب أو غير السليم أو المخالف للتعليمات، أو بسبب التعامل الخاطئ أو الإهمال في التعامل مع البضاعة أو العوامل الطبيعية للتآكل أو التخزين الخاطئ أو قيام المشتري أو أي طرف آخر بإدخال تعديلات على البضاعة. يجب ألا يقوم المشتري أو الأطراف الأخرى بتركيب البضاعة إلا بمعرفة فنيين متخصصين وبارعين.

11-2 يحق للبائع الاختيار بين إدخال تحسينات لاحقة وتوفير توريد جديد.

11-3 لا يتحمل البائع النفقات اللازمة لغرض إصلاح العيوب طالما ارتفعت النفقات بسبب إحضار البضاعة، بعد التوريد، في موضع آخر بخلاف مكان التوريد الأصلي.

11-4 النفقات التي تنشأ للمشتري أو طرف آخر في إطار فكّ بضاعة معيبة وتركيب بضاعة موردة حديثًا أو مُحسنة لا تعد نفقات خاصة بإصلاح العيوب وفقًا لفقرة 2 بالمادة 439 من القانون المدني الألماني.

11-5 يسقط الحق في المطالبات الناشئة عن ضمان العيوب بعد عام واحد من تسليم البضائع، ما لم تكن مطالبات ضمان العيوب قائمة على قيام البائع أو وكلائه بخرق الالتزام عن عمد أو بإهمال جسيم، أو قائمة بسبب تهديد الحياة أو وقوع إصابات جسدية أو أضرار صحية.

11-6 يلتزم المشتري بالامتثال للالتزام بإجراء الفحص وفقًا للمادة 377 من القانون التجاري الألماني، وذلك حتى في حالات إعادة بيع البضاعة.

11-7 يُستبعد حق المشتري في الرجوع على البائع بسبب مثل هذه المطالبات الناشئة عن ضمان العيوب، والتي يتقدم بها العملاء ضد المشتري، ويكون هذا الاستبعاد في حالة عدم امتثال المشتري للالتزام بالفحص والإخطار بالعيوب أو القيام بإدخال تعديلات على البضاعة من خلال معالجتها.

11-8 تقع مسئولية البائع القانونية عن تعويض الأضرار، بدون قيود، وفقًا للبنود القانونية، إذا كانت حالة مخالفة الالتزام، التي تسبب فيها البائع، تقوم على التعمد أو الإهمال الجسيم. طالما أن حالة مخالفة الالتزام، التي تسبب فيها البائع، تقوم على إهمال طفيف، وأنه قد تم خرق التزام تعاقدي جوهري يُؤاخذ عليه، فسيقتصر ضمان تعويض الأضرار على الضرر المتوقع والذي يحدث عادة في حالات مشابهة. بخلاف ذلك تُستبعد المسؤولية القانونية.

11-9 تظل المسؤولية القانونية وفقًا لبنود قانون الضمان على المنتجات أو ما شابه من حقوق واجبة وردت بتشريعات قانونية أجنبية سارية، غير متأثرة. كما تظل المسؤولية القانونية عن تهديد الحياة أو وقوع إصابات جسدية أو أضرار صحية، غير متأثرة.

11-10 طالما أن المسؤولية القانونية تقوم على الحقائق الواردة في البند 9-11، ففي حالة التشريعات القانونية الأجنبية، ستقتصر مسؤولية البائع القانونية بالنسبة المشتري بقدر ما يجيزه القانون الأجنبي المعني.

11-11 طالما أن ضمان تعويض الأضرار مستبعد أو مقيّد بالنسبة للبائع، فإن هذا يسري أيضاً فيما يتعلق بالضمان الشخصي لتعويض الأضرار بالنسبة للموظفين والمندوبين والوكلاء التابعين للبائع.

12 حظر التنازل

تعد جميع مطالبات المشتري ضد البائع غير قابلة للتنازل.

13 الضمان على المنتجات/التزامات الإخطار

13-1 لا يجوز للمشتري استخدام البضاعة إلا طبقًا للتعليمات، ولذلك ينبغي عليه أن يحرص على ألا يعيد بيع هذه البضاعة إلا لأشخاص على علم بأخطار المنتج ومخاطره.

13-2 يلتزم المشتري عند استخدام البضاعة كمكون رئيسي أو منتج فرعي بمنتجاته، بالامتثال للالتزام بالإشعار فيما يتعلق بالبضاعة المورّدة من البائع، وذلك عند طرح المنتج النهائي في الأسواق. يقوم المشتري بإعفاء البائع، فيما بينهم، من تنفيذ مطالبات في حالة خرق هذا الالتزام عند الطلب الأول.

14 السرية

ينبغي على المشتري التعامل مع كل المعلومات التجارية والتقنية التي حصل عليها من البائع باعتبارها أسرار عمل وأسرار تجارية لا تُكشف لأطراف أخرى، طالما أنها ليست معروفة بشكل عام. ولا يجوز نقل مثل هذه المعلومات إلى أطراف أخرى إلا لغرض تعاقدي، وتكون هذه الأطراف ملتزمة باتفاقية عدم إفشاء ملائمة.

15 أمور أخرى

15-1 موقع التوريد هو مكان مصنع البائع المعني.

15-2 المحكمة المختصة بجميع النزاعات الناشئة عن العقد هي محكمة هايلبرون. ولكن يحق للبائع أيضًا تقديم شكوى ضد المشتري في المحكمة العمومية التي يتبعها.

15-3 لتنفيذ العقود القائمة على شروط البيع والتوريد هذه يسري فقط القانون الألماني، مع استبعاد لجنة قانون التصادمات واتفاقية الأمم المتحدة بشأن عقود البيع الدولي للبضائع.

15-4 تلتزم الأطراف، في إطار تنفيذ العلاقة التعاقدية، بالامتثال لجميع البنود القانونية السارية (الامتثال للقوانين).

15-5 تسري الاتفاقات المنفصلة المبرمة بين الطرفين، والتي تختلف عن شروط البيع والتوريد هذه أو تعد مكملة لها، ويكون لها الأسبقية.

15-6 طالما أن بند أو عدة بنود مما سلف ذكرها قد أصبح غير فعال كليًا أو جزئيًا، فسيظل سريان بقية البنود غير متأثرًا بذلك. وعندئذ يحل البند الجائز قانونيًا محل البند الباطل بغرض الوصول لشروط البيع والتوريد هذه بنفس الطريقة بأقصى ما يمكن.
